Eighteen Basketball Stars Already Lined Up For Game

Plans are progressing for the third annual basketball evening to be held in the Mount Joy school gymnasium Thursday, Dec. 29. To date twelve of last year's Donegal Indians have replied to the invitation to play and eleven will be able to play in the game. Eight of the former Mount Joy High School Rams have replied to date of which seven will play. When the list is completed, a news article will appear listing the line-ups for the two teams.

The two games of the evening will be the one between the Mount Joy High School Rams, state finalists of 1950-51 and the Donegal High School Indian state semi-finalists of 1954-55 and a game between the Old Timers. Old Timers are urged to come out Monday evenings to the gym nights to get "in condition" for the game. The affair is being sponsored by the Mount Joy Old Timers Association.

Jim Pennell was named to the Lancaster County all-star high school soccer team for this year. He was named to the position of right full back on the honorary team along with soccer players from Pequea, Lampeter - Strasburg, Manor, Hempfield, McCaskey, and New Holland.

Others named from Donegal High were Jack Beaton to the second team and Ron Schofield and Harry Frey to the honorable mentions.

Jim is a senior at Donegal.

 Says—IT'S A FACT

The TURKEY DID NOT ORIGINATE IN TURKEY

And We Can Prove It!

SEE PROOF BELOW

It's true. Station-to-station long distance service is so economical... and particularly after 6 p.m. or all day Sunday. Placing your call station-to-station at these times makes it easy on your pocketbook. You can keep in personal touch with friends, relatives and business acquaintances anywhere at low, low cost.

So next time you make a long distance call just tell the operator you'll talk with anyone who answers. By doing that, you can actually make three calls for the price of two.

PROOF OF

THE TURKEY DID NOT ORIGINATE IN TURKEY

It is a native North American bird, introduced into Europe in the 16th Century. 1. Encyclopedea Britannica.
