### The Christmas Gift—

That Gives Pleasure Every Day of the Year

**IF THERE'S A NEW PFAFF UNDER THE TREE**

This is it — the ultimate in sewing machines — just in time for Christmas hinting. This is for you — a sewing machine so automatic you just dial — and out comes the stitch you want automatically—everything from exquisite embroidery to a practical darning stitch for any family sewing need.

The Pfaff — and only the Pfaff — has the automatic Dial-A-Stitch that makes sewing so quick, so easy, so automatic.

You'll be amazed at the few minutes it takes you to stitch up a pretty party pinafore, a smart new holiday dress, or a set of gay slipcovers with a Pfaff. And think what a joy it would be to be caught up on family mending — with every button on every shirt, every tear in clothing, sheets, and towels neatly mended.

No other machine is as fine as a Pfaff. It makes buttonholes, embroiders, monograms, blind-hems, mends without patching, daps, sews on buttons, overcasts, sews zig-zag or straight, and makes thousands of beautiful stitch designs.

The Pfaff is so automatic it even has a Built-in Needle-Threader.

It's definitely the Christmas gift that gives pleasure every day of the year — year in and year out.

Come in and see for yourself that Pfaff is the Finest Sewing Machine Made.

## How to be sure you are making the best buy in a new truck

➤ A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few.

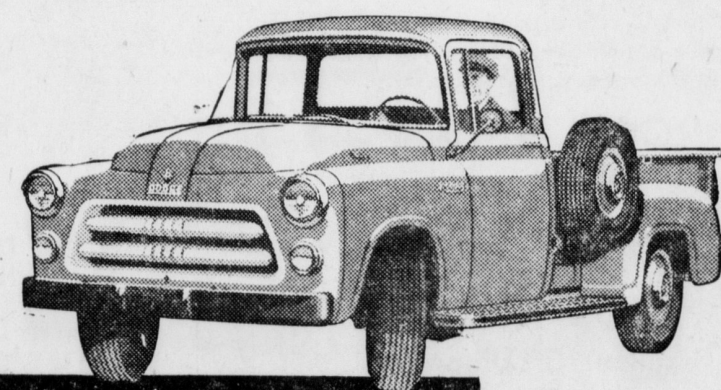

➤ Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes.

➤ Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision.

➤ And there are other Dodge advantages you'll want to think about—like the business-building beauty

of Forward Look styling, and the long life that spreads low initial cost over years of dependable service.

➤ It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.
