 Opening Game**

Donegal High School has handed their first defeat of the season Tuesday night at Lancaster Catholic High School, 80 to 46.

Coach Ken Depoe, working with an entire new squad was unable to cope with Catholic's fast moving team. Depoe started R. Blymire, Swartz, Earhart, Epler and Snyder. Snyder played with Coach Peters' Junior High Team last year, the only undefeated team in the County, the other four are from Coach Gemberling's Junior Varsity team of last year.

P. P. & L. REPORTS EARNINGS
 Pro forma consolidated earnings (including earnings of the former Pennsylvania Water & Power Company prior to June 1955 restated on the basis it was actually merged on June 1, 1955) and its subsidiary, The Scranton Electric Company, accruing to the common stock of Pennsylvania Power & Light Company for the 12 months ended October 31, 1955, were \$18,141,920, equivalent to \$3.07 per share of common stock outstanding at such date, as compared with \$17,038,463 or \$2.91 per share on the same pro forma consolidated basis for the 12 months ended October 31, 1954.

Pro forma consolidated revenues for the 12 months ended October 31, 1955, were \$121,052,995, an increase of 7.8 per cent over the pro forma revenues for the previous year.

Coach Depoe's Comment
 Up until this time, we do not see any real scoring punch. Each boy throughout the year could be a starter on the squad. There are no varsity players returning so we will have to choose from last year's J-V's and Junior High Teams.
 We are hoping for a hustling and an aggressive ball team. We are not too optimistic about the team as yet, because of the lack of experience.
 One thing in every team's favor is the number of league games. It is felt each team on a given night could upset or beat the other. The teams in our section to bear watching are Columbia, Ephrata, Manor, Hempfield, Manheim Township and Elizabethtown. Columbia, because of the returning of two boys who placed on their championship team of 2 years ago and three returning letterman, should be best.
 There is a possibility that Donegal High School could be considered a dark horse in the league because of the above mentioned facts.
 It is felt that this young, inexperienced team, will be in there trying all the time, until the last whistle.
