THE BULLETIN, Mount Joy, Pa. Thursday, December 22, 1955

### Post Office Staff

(From page 1)

mail amounting to 5,000 pieces. On Monday and Tuesday, December 19 and 20 we had a total of 56,000 pieces, 10 to 1 over normal days. The incoming mail increased about the same amount. The increase of parcel post during December is just as great.

During the rush period the force of the office was doubled and the regular employees worked all day and returned to work in the evening, and part time on Sunday.

We hope that the service rendered has been satisfactory.
