Girl Hurt In Fall

From Moving Auto

Diane D. Young, five and a half year old daughter of Mr. and Mrs. Barnell Young, 19 W. Donegal Street, was seriously injured at 9:45 p. m. Saturday when she fell from a moving car operated by Mr. Young.

Diane was admitted to the Lancaster General Hospital suffering from a possible fractured skull and multiple lacerations. She is reported in fair condition.

According to state policeman Leo Fitzgerald, Mr. Young was returning to the borough on Route 230 east of town when the girl tumbled from the rear seat of the car onto the highway. She rolled for about 100 feet before coming to a stop. Her father grabbed for her but she slipped from his grasp. He ran down the highway and flagged a state police patrol car. The hospital ambulance took her to the hospital.

NEW MEMBERS ARE NAMED TO GROUP

The Board of Directors of The Holstein-Friesian Association of America, meeting during November in Brattleboro, admit 547 new members. Coupled with the 837 admitted in June, this makes a total of 1,384 new members added to the Association's growing membership rolls in 1955 and brings the total membership to 46,283. The 547 new members originated in 42 states. Pennsylvania leads the field with 80. New York, close behind with 76 is followed by Wisconsin, Ohio and Michigan in that order.

The Holstein cow's skyrocketing popularity in the South is reflected in the fact that 60 of the 547 new members are from states below the Mason-Dixon line.
