Grand Prize Car Now On Display

Booming along on the wings of enthusiasm and with the stamp of public approval already placed upon it, this big 'Everybody Wins' prize subscription contest is rapidly assuming big proportions.

We welcome the ever-grow ing number of new subscriptions now being added to our lists, and also thank the many regular readers who are taking advantage of the money saving opportunity to renew their subscriptions at the special reduced rates now in effect.

The ernest, hard-working contestants, without exception, are meeting with gratifying success on every hand in their quest for subscriptions (the point issued on each prepaid order, of course, means the winning votes for them) and this newspaper appreciates the whole-hearted response shown by the people of this area to the subscription

The encouragement thus extended to the fine participants for prizes spells SUCCESS in large capital letters for this local enterprise, and by the same token will enable us to serve better in every way the general interest of this entire commun-
