There really isn't any such Board, of course...
the scene above is pure fiction. The hard fact: No
one is going to review your Will and pass upon
whether it is up-to-date — until too late to change
it — unless you do so. And you'll be wise to take
this step soon, with your lawyer's help, if there
have been important changes in your family or
your financial picture since your Will was drawn.
