And Mrs. Alleman is one mother who knows what Heart Haven can do for youngsters. She doesn't need to be reminded that her family, with former patients, Ronnie and Donnie, and current patient Jerry, is the "biggest Heart Haven family."

She says "We know it. I'm so glad there's a place like Heart Haven."

Both Ronnie and Donnie suffered rheumatic fever, too. Ronnie was a patient at Heart Haven from August 4, 1953 to November 25 of that year, while Donnie entered Heart Haven on October 2, 1953, and stayed until May 8, 1954.
