BOROUGH COUNCIL ROTARY TRIPLETS

(From page 1) line from the intersection of Birchland Avenue of Springville Road will be completed in the near future. Bids for this extension will be opened at the next regular meeting of Borough Council.

Elmer Zerphay asked that Council erect street signs on the corners of Delta and School Lane, Market & School Lane, and Pinkerton Road and School Lane in order that he may start proceedings concerning city delivery for the persons in that vicinity.

George Groff, chairman of the property committee, announced that repairs have been started on the firehouse. The basement is being painted at the present time. William Dommell, chairman of the lights committee, reported that one street light blew down during the last storm.

In the Chief of Police's report, the department announced that during the month of February one person was arrested for reckless driving; 2 ignoring red traffic signals; 1 ignoring stop sign; 1, failure to yield the right of way; 1, no current inspection certificate; and 2 accidents investigated.

The Rev. George Ludwig, pastor of the local Methodist Church, offered the invocation at the beginning of the meeting.
