A Principle And A Promise

I believe that the people of a party and not the bosses have the right to nominate and elect the candidate of their choice to public office.

The man so honored by his fellow-citizens is thus obligated to serve the public interest, rather than the private interests of professional politicians.

This is what I believe and HOW I WILL SERVE if elected to the State Senate.

I promise to discharge the duties of this high office with INTEGRITY, GOOD CONSCIENCE AND MATURE COMMON SENSE.

I assure those Lancaster Countians who live in the 17th Senatorial District that they will have as full and favorable representation in Harrisburg as they have had in the past.

It is my intention to keep as closely in touch with the Lancaster portion of my constituency as possible.

I PROPOSE TO OPEN AN OFFICE IN LANCASTER COUNTY WHERE I WILL SPEND AT LEAST ONE DAY A WEEK.

My office in Lebanon, of course, will be open at all times to all citizens who wish to talk with their Senator.

I proudly dedicate my candidacy to YOU — the people I hope to serve.
