Film On The Bible To Be Shown April 22

"Our Bible - How it Came To Us", a feature-length motion picture which unveils the story of how the Bible has come down through the ages, will be shown at the St. Mark's E.U.B. Church, Sunday, April 22, 7:30 it was announced by the Youth Fellowship of the church.

Produced by the American Bible Society, this sound film sweeps across the centuries from the formation of the Old Testament to the present time. It shows the Scriptures in use in Palestine in the time of Jesus how the letters of Paul and the Gospels were written and used in the early church; then comes the story of the translation into Latin, the spoken languages of Europe, and finally into English. It portrays the martyrdoms and oppressions faced by those who have brought the Bible down to the present time.

The picture is authentic, clear and sincere. More than 250 actors participate in the film; these include men and women of many races, colors and historic periods, from ancient Hebrews to American Sunday School children of today. Used in the preparation of the film were the services of many scholars and staff workers and the resources of the Morgan Library, Metropolitan Museum of Art and the Cloisters and some libraries abroad.

Showing of the film in this country and in England have brought forth the highest praise and it is the hope of the American Bible Society and those who show it that this picture will stimulate more wide-spread reading of the Word of God.

The public is invited to see this film.

Annual Parish Meeting Held In St. Luke's Church

The annual parish meeting of St. Luke's Episcopal Church, Mt. Joy, was held Wednesday evening, April 4, beginning with a covered dish supper. The meeting was in charge of the rector, The Rev. Emmert M. Moyer. Reports of the various organizations and activities were presented. The treasurer's report indicated an increase in giving and in attendance was also noted in an over all picture.

The following vestrymen were elected to serve for a period of three years: Edward J. Craul, Elwood T. Gillum and James E. Smith. Delegates to the Annual Convention elected are Earl V. Shelly and John E. Wolgemuth. The alternates are Robert K. Brown and James E. Smith.

Following the meeting the vestry met and appointed John E. Wolgemuth as treasurer of the church, and Robert K. Brown to serve as clerk of the vestry. Lloyd Garmán was appointed to serve as Senior Warden and Harold E. Musser as Junior Warden of the church.

LANCASTER MINISTERIAL ASSOCIATION MEETING

WHAT DO YOU MEAN, "JUST FACE LIFTING"?

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new—just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

The Styling is New

Sure, it looks like a Buick. But it has a new V-proved grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweepers are new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours.

But that, friends, is only the beginning.

The 1956 Dynaflo* is New

It introduces what the engineers call "double regeneration"—which means a double-action take-off. It gives you new,

split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

The Power is New

All 1956 Buicks have new 322-cubic-inch V8's—with record highs in power and compression— with unique new double "Y" manufacturing to step up efficiency—with new carburetor "deicing"

—and a host of other new features to make owning a Buick pure pleasure.

The Thrill is New

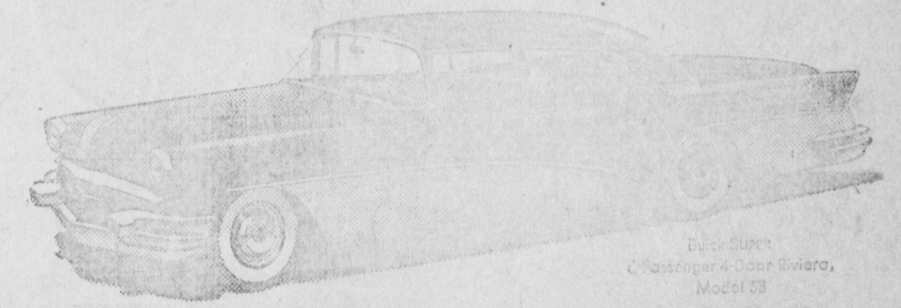

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the *best Buick yet*—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM.

BEST BUICK YET

AT A NEW LOW PRICE—
4-Season Comfort in your new Buick with FRIGIDAIRE CONDITIONING
