My Favorite Prayer

Submitted to  
The Laymen's National  
Committee  
By Joseph Pulvermacher

God, keep my tongue from  
vil and my lips from speak-  
ing guile. Be my support  
when grief silences my voice,  
and my comfort when woe  
wounds my spirit.

Implant humility in my  
soul and strengthen my  
heart with perfect faith in  
Thee. Help me to be strong  
in temptation and trial and  
to be patient and forgiving  
when others wrong me.

Guide me by the light of  
Thy counsel that I may ever  
find strength in Thee, my  
Rock and my Redeemer.

FUND RAISING IDEA

Harrisburg — What's in a  
woman's handbag? Depend-  
ing on the answer when she  
arrives at a local meeting,  
she can be assessed a certain  
sum for each item. This lit-  
tle trick for raising funds  
for organizational purposes  
was revealed at the 37th An-  
nual meeting of the Society  
of Farm Women, at the Farm  
Show. The idea is not pat-  
ented and can be used by  
any group seeking funds, but  
success depends on small  
fees.

Pennsylvania today has  
more chick hatcheries than  
any other state. - PNS

Giving In...To His Practical Side!

We will tell you, in all honesty, that this gentleman was a little dubious when he first walked into the showroom.

There was no question, to be sure, about his wanting a Cadillac!

But, quite frankly, he wondered whether or not he was in a position to purchase a motor car as wonderful as the 1956 Cadillac.

But now he is learning some facts about this distinguished motor car that are removing the doubt from his mind.

First of all, he is learning that a Cadillac is relatively modest in its initial cost.

He is finding out about Cadillac's extraordinary dependability and freedom from repairs.

He is discovering the remarkable facts about Cadillac's traditionally wonderful resale value.

And, lastly, he is being told that, at this time of the year, his dealer is able to make Cadillac ownership even more practical than usual.

That's why we suspect that—having given in long ago to his heart—he is now giving in to his practical side. And that's a combination no man can resist!

If you have considered Cadillac the car in your future—but have postponed making the move for reasons of economy—we urge you to stop in soon.

As an experienced Cadillac dealer, we have established a wonderful relationship with fine-car motorists throughout the community. Our reputation for integrity is positive assurance of your satisfaction as a customer.
