

## PP&L Head Reports Outstanding Year Of Progress

Chas. E. Oakes, Pennsylvania Power & Light Company president, Monday told shareholders at the PP&L annual meeting that 1955 was a year of outstanding progress for the Company and that the Company expects "a satisfactory level of business to continue in Central Eastern Pennsylvania" the area served by the utility.

More than 80.6% of all outstanding shares of PP&L stock were represented at the annual meeting, a near record in a 10-year period, in which representation has been continuously above 70 per cent, despite the fact that the number of shares has more than doubled in this period.

Summarizing the progress of the Company in providing for continuing growth, Mr. Oakes said, "PP&L will spend \$32.8 million on new facilities in 1956 and \$137 million in the next five years as a positive indication of its belief in the economic growth of Central Eastern Pennsylvania. Completion of the second generating unit at Martins Creek in mid-1956 is expected to add 160,000 kilowatts of capability. Another 100,000 kilowatts was acquired as a result of the merger with Pennsylvania Water & Power Company. This additional capacity, now being sold to neighboring utilities and which becomes available to the Company in 1957 and 1958, was paid for by the issuance of securities at the time of the merger. This capability of 260,000 kilowatts will be available for growing customer needs in the immediate future."

"The financing done in '55 left the Company with \$18 million which, with cash generation from 1956 operations, will more than meet the Company's cash and construction requirements in 1956. No new financing will be required this year."

## Explorers Official In Florin

Florin Boy Scouts and Explorers will conduct a scrap drive in the community this Saturday, April 21. Hours for the drive have been set for 8 to 11:30 a.m. The groups will accept scrap paper, rags and scrap metals.

The combined groups made a profit of \$90.20 from the food sale held last Saturday and wish to thank the residents who helped with the project.

The Florin Scouts and Explorers and the Scouts and Explorers from Mount Joy and Maytown are planning a camping weekend for April 28 and 29.

**Explorers Official**  
The Florin Explorer Troop #63 is officially chartered at the present time. One new member was admitted at the Tuesday night meeting, Earl Shearer.

Larry Pardee was elected senior crew leader; John H. Hess, deputy senior crew leader; Robert Sprout, secretary; Earl Shearer, treasurer and John Martin, quartermaster.

Jay Snyder was named chairman of the new Explorer committee. His committee includes Benjamin Staley, Brady Hess, John Wittle and Clarence Hollinger. John M. Hess, Jr. is the Explorer advisor.

**Preparing Program**  
The first activity of the new group is the preparation of their four-point program, social, out-of-doors, vocational and service. This program is prepared on both an annual and quarterly basis. At the present time the boys are completing foot lockers which will be used to house their equipment at the meeting headquarters. Both the Explorers and Boy Scouts meet at the Florin Hall.

Mr. Hess announced that the membership of the Explorer Post is still open to all boys between the ages of 14 and 17.

## Entertained To Family Dinner

A family dinner was held in honor of Mr. and Mrs. William B. Lawton, 2261, Manor Ridge Drive, Lancaster, at the home of a daughter and son-in-law, Mr. and Mrs. Lloyd Vogel, Florin, on Sunday. The Lawtons, who formerly lived in Mount Joy, will sail April 24 on the Liner Mauritania for a four-month trip in Europe.

They will first visit England where they plan to visit brothers and sisters. From England, they will tour Scotland, Ireland, Wales, France and Switzerland.

The Lawtons were guests at a special dinner at the home of Mr. and Mrs. Harry Spicer, Farmingdale Road, last Sunday. The Lawton children are Nellie, wife of Lloyd Vogel; Ruth, wife of Fred Hauer, Lancaster; William, Lancaster. Their other daughter and son-in-law, Mr. and Mrs. John Takas of Toledo, Ohio, were unable to attend the family dinner.

In 1953 the Lawtons spent eight months in England. That was the first time that they had seen their relatives in 40 years. They visited the home where their eldest daughter was born in London, England.

The oldest title insurance company in the world is located in Philadelphia. - PMS

## House Included In Florin Auction Sale

A house will be included in the Florin Lion's Public Auction Sale Saturday, April 28. The house is the second to last house on the right-hand side of Wood Street going west. Persons may tour the home to be sold daily from 12 noon to 2:30 p. m. and 5:30 to 8:00 p. m. until April 22.

The second annual auction of the civic club will be held at two different hours. The sale of the house will be held at 1:00 p.m. at the home site. Following this portion of the sale, miscellaneous items will be sold at 2:00 p.m. at the Florin Hall. The home has four bedrooms, a modern kitchen with cupboards and a dining area. Lot dimensions are 60 by 180 feet. The site also contains shrubbery.

Sidney Smith is general chairman of the event. Residents are asked to call Mt. Joy 3-5781 who wish to place items on the sale. Included in the articles already assigned for the sale will be two automobiles.

## Mortuary Record

**PHARES R. NISSLEY**  
Phares R. Nissley, 81, Landisville, was fatally stricken with a heart attack at 11:15 a.m. Tuesday, while driving his automobile on the Marietta Road just south of Salunga.

The vehicle, apparently traveling at a low rate of speed, ran off the road and into a field on the farm of A. W. Wickensheiser, who summoned a doctor.

Dr. Harry Hoffman Jr. of Landisville, who said he had been treating the man for a heart condition for some time, pronounced him dead when he arrived at the scene.

An active farmer, Nissley was believed returning to his home in Landisville when he was stricken. He had been working on his farm near Salunga during the morning.

Born in West Hempfield Twp., he was a son of the late Samuel B. and Emma Rohrer Nissley and was actively engaged in farming all his life. Last January, he celebrated his 57th wedding anniversary with his wife, Mrs. Elmira B. Nissley.

A director of the Union National Bank, Mt. Joy, he was also a member of the Chestnut Hill Mennonite Church. In addition to his wife, he is survived by a daughter, Barbara N., wife

## Couples Club Is Organized At Landisville

Approximately 20 couples attended the first organizational meeting of a young married couples group of the Zion Lutheran Church, Landisville, Sunday night, in the church Sunday school room. Robert Gilberg served as chairman for the first meeting. It was voted by the group that the name of the new organization shall be the "COUPLES CLUB", and that its function shall be primarily social in nature.

The newly formed club will meet the first Sunday of each month at 7:30 in the Sunday school room.

Mr. and Mrs. Robert Bair and Mr. and Mrs. Ben Stoner were named as nominating committee to elect a couple to serve as co-chairmen, and another man and wife team to serve as secretary and treasurer, for a period of six months duration. Program officials for the next social meeting to be held on May 6 are Mr. and Mrs. Frank Huey and Mr. and Mrs. Douglas Williams. The Rev. Ernest P. Leer,

pastor of Zion Lutheran Church, extended greetings to the group.

Following the initial meeting, refreshments were served by members of the Ladies Aid Society of the church. The original committee who formed the new church organization were Dr. and Mrs. Harry Hoffman, Mr. and Mrs. Ben Stoner, Mr. and Mrs. Robert Gilberg, Mr. and Mrs. Robert Harper, and Mr. and Mrs. Robert Bair.

## POLICE MAKE PROSECUTIONS

Fifty-one drivers are charged with code violations by state police during the past week. Local persons include Roy Breneman, Mount Joy, violating the 50-miles-per-hour speed law; Glenn G. Hostetter, Mount Joy, failure to have vehicle equipped with adequate brakes; Larry Hiestand, Salunga and Norman Bowers, Landisville, failure to stop for a stop sign.

Also surviving are two brothers, Samuel R. of East Petersburg, and Norman H. Salunga, and two sisters, Mrs. Anna May Longenecker of Mount Joy, and Mrs. Willis N. Baer, Bethlehem.

Funeral services will be held Friday afternoon from his late home, Main Street, Landisville with further services from the Landisville Mennonite Church. Interment is in the adjoining cemetery.

POLITICAL POLITICAL POLITICAL

## A Review of My Campaign

An informed public is the best answer to the professional politicians who seek to control the Republican Party by hand picking their private "slate" of candidates.

Throughout my campaign for the State Senate I have made every effort to fully inform you regarding those matters that concern and interest you as voters. I have done so in newspaper messages such as this, on radio and television, and in talking with those of you I had the privilege of meeting personally during these past busy weeks.

It is now UP TO YOU to make YOUR decision on the basis of the evidence submitted. That evidence includes:

### My Background and Qualifications

I am 41 years of age; a graduate of Lebanon High, Penn State and the University of Pennsylvania Law School. I have been an attorney since 1940, and a professor of business law at Lebanon Valley College since 1947. I am a Navy Veteran of World War II, and have been active in veterans' affairs. My record of community service includes a directorship in the Lebanon hospital and YMCA, P.E.R. Lebanon Lodge of Elks, and membership of numerous fraternal, sports, volunteer fire, and civic organizations.

WILLIAM H. EGLI

### My Political Experience

I am a life-long Republican. I believe in the principles of the Republican Party. I served as District Attorney of Lebanon County for the full four-year term. I was chairman of the 1952 Citizens for Eisenhower Committee, and Secretary of the Pennsylvania Republican Institute until I resigned to run for Senate. I reorganized our County's Young Republican group, served as its president in 1949, and was a member of the Executive Committee of the Pennsylvania Federation of Young Republicans for four years.

### My Position On The Open Primary

I believe in the open primary. That is, I believe that a political party belongs to the people. They, and they alone, have the right to decide their party's nominees by FREE CHOICE OF BALLOT. That is the purpose of a Primary Election. No one man and no group is qualified or authorized to substitute for the voters' American right to do their own thinking and choosing. My opinion on this vital subject hasn't changed since 1949, when I fought the same battle against boss-rule in Lebanon County and won the District Attorney's office as an independent Republican.

### My Promise To You

I have publicly pledged myself to serve ALL my constituents to the best of my ability. I ride no political coattails. I have no political obligations to ANY individual or faction. I am COMPLETELY FREE, therefore, to fulfill this promise and to serve the people of our 17th Senatorial District with integrity, good conscience and mature common sense, giving fair and friendly representation to all citizens. I will, as I have already announced, open an office in Lancaster County to keep in close touch with your interests.

I offer myself as a candidate who has OPENLY stated his QUALIFICATIONS . . . CLEARLY pronounced his PRINCIPLES . . . and HONESTLY proclaimed the ISSUE.

I offer my candidacy for this high and responsible office to those Republicans who want a candidate who WILL FIGHT AND WIN in November.

## Get More TDN\* Out of This Year's Hay Crop!

## PLAN NOW TO MOW-CURE IT

Electric fan mow-curing produces more good hay! It greatly reduces the risk of weather loss! It permits harvesting at exactly the right time to get the maximum \*Total Digestible Nutrients important to milk and beef production! It cuts the need for expensive supplemental feeds by as much as 50%. Danger of spontaneous combustion in stored hay is virtually eliminated. Field-handling is reduced.

Now, as your mow becomes empty, is the right time to install an electric fan mow-curing system. Installation is easy! and inexpensive! Many farmers have found that the savings on supplemental feed costs pay for the installation in as little as a year!

The time to act is now! See your electrical farm equipment dealer today. He'll show you exactly what you need.
