## Landisville-Salunga Road-e-o Delayed

The Landisville - Salunga area Junior Chamber of Commerce has postponed the date of Their Teenage Road-e-o from April 28 to Saturday, May 5. The change of dates was made because of the annual Safety Parade in Lancaster that day, and to avoid conflict with another activity at the Hempfield High School. The driving skill contest will take place on the high school grounds at Landisville, and is open to all teen-agers of the Landisville and Salunga area who possess an automobile operators license or a learner's permit. Parental consent must be granted to each participant, and registration forms must be turned in to Dean Lowry, Landisville, prior to the contest date. Kenneth Swegar, safety driving instructor at the school is coordinator of the program.

## Power Scoop Catches Fire At Quarry

An hydraulic power scoop caught fire last Saturday at 9:45 a. m. at J. Miller Eshleman's Stone Quarry, three miles west of Salunga, and caused minor degree burns to an employee at the quarry. Willis Dabler, 48, Smithville, a mechanic at the quarry, was repairing the piece of equipment when an extension cord he was using created a short circuit and ignited gasoline and oil in the machine. The Salunga Fire Company was summoned and extinguished the blaze while Dabler was taken for medical treatment. He was treated for minor burns of the hands and face, by Dr. Harry Hoffman, Landisville and returned to work.
