## MEET THE NEW BOSS

in the Performance Department!

Come in and Drive the Surprise Car of the Year!

The word's getting around fast—the big, handsome husky you see here is the big surprise that caught the industry a year or so off balance! But it didn't come as any surprise to Pontiac engineers that they had the year's performance sensation.

They knew all along that it would be, because they started from scratch and designed the most modern and efficient high-compression, high-torque V-8 engine in America!

Then they tailored an all-new Strato-Flight Hydra-Matic\* especially for Pontiac's high-stepping Strato-Streak power plant—and for nothing else! The blazing action of 227 horses is yours in a flash with the positive, no-lag action of gears—plus an amazing liquid coupling for a smooth, uninterrupted flow of power to the wheels. Bring yourself up to date—come in and pilot the surprise car of the year—you'll soon see what the talk's all about!

And don't be afraid to ask about price, for that's another pleasant surprise—the one that will let you boss the best on the road for a great deal less than you probably think! \*An extra-cost option.

The car says GO and the price won't stop you!
