## Remember Sunday

Respect and reverence for Sunday can be instilled into the minds and hearts of children at a very early age. They love to "dress up" and proudly march to Church. As they grow older and the true significance of the day begins to dawn upon them they learn to appreciate the fact that this is a day set aside for worship and rest. Man has not always had this blessing. For many it came after a long and bitter struggle. Whatever a person's walk in life may be, there are few who would want to give up the Holy Day. Attend the Church of your choice with the whole family and the children will grow up to cherish the day as a real heritage.

With the aim of fostering that which is good in family and community spirit this message is contributed to the religious life of the Community by the following:
