Red Feather Agencies Say 'Thank You'

A big "Thank You" will be sent out next week from the 23 agencies which participated in the first United Community Campaign last October. They have set aside the week of May 6 thru 12 to express their gratitude to all contributors and volunteer workers who made this new United Drive a success.

The United Community Campaign, conducted by the 22 Red Feather Services of the Community Chest and the Red Cross, united more separate fund-raising drives than any other campaign in

the history of Lancaster Co. It raised, to date, a total of \$773,040, which is 100.1 per cent of its goal.

William H. Beadle, President of the Community Chest of Lancaster County, sends this message to the campaign contributors and workers: "Your support makes United Giving a reality. It keeps the way open towards still further federation of our community agencies into a single, annual campaign, and it assures all agencies who participated last fall that they may continue to serve wherever and whenever the needs arise. We are grateful indeed."

Because the people of Lancaster County gave so generously to the campaign, they are being served in thousands of ways throughout
