A Very Serious Moment

A thoughtful and serious moment for these two closest of friends. Per-
 haps they are to be separated for a couple of hours while the boy is off to
 kindergarten for his first day in school. Not a long separation, but for
 both very painful, and a major crisis for the lad. As he grows older, this
 crisis will appear amusing in retrospect. Others, however, will appear on
 the horizon that will seem to be "life-wreckers."

No matter what the crisis, be it serious or just appearing so at the time,
 for all there is an aid to keep us upon an even keel and that aid is the
 Church we have chosen to help us in times of joy as well as in times of
 sorrow. There is a church that will give these requirements for you. Within
 its doors are to be found the answers to many problems that beset us all
 in times such as these.

With the aim of fostering that which is good in family and community spirit
 this message is contributed to the religious life of the Community by the following:
