Maytown Sixth Grade Takes Trip To Philadelphia

The sixth grades of the Maytown Elementary School took their annual class trip to Philadelphia, Friday, May 11th.

The class was at Valley Forge, where they enjoyed a two hour guided tour of the park including the Memorial Chapel and museum.

The class also visited the Betsy Ross Home and had a guided tour of Independence Hall.

Following the visit to Independence Hall, the class went on a bus tour of the city, the class spent the remaining hours of their trip at the zoo.

The class returned to Maytown by the way of the Pennsylvania Turnpike, stopping at Zinn's Diner for the evening meal.

The class was in charge of their teachers, Miss Sara H. Mischlich and Mr. William Counts. Accompanying the group were the following parents Mrs. Ruth Newcomer, Mrs. Dora Barrick, Mrs. Grace Hawthorne, Mrs. Gerald Zielke, Mrs. Ray Frye, Mrs. Stella Baker, Mrs. Frances Houseal, Mr. Elam Lapp, Mr. Adam Greer, and Mr. John Shrum.

The trip was sponsored by the sixth grade parents, who recently held a food sale, the proceeds of which were used for the trip.

Recently the same group of pupils and teachers visited Harrisburg and the State Museum. They were also the guests of Rep. Norman Wood at an afternoon session of the State Assembly. Parents accompanying the group at that time were Mrs. Ruth Newcomer and Mr. Lester Wolgemuth.

During April the sixth grade pupils were the guests of the "Shriners of East Donegal" at the Shrine Circus in Harrisburg. Accompanying the group on the trip were Mr. and Mrs. Ad-

WHAT ABOUT TRADE-IN NO TRADE-IN ALLOWANCE

WHAT ABOUT SERVICE NO SERVICE GIVEN AT DISCOUNT HOUSES.

What About Prices? Off brand watches bearing fictitious prices that are so high they may be halved and still be overpriced. Discount Houses stock only a few out-dated models of finer watches to use as a "come on".

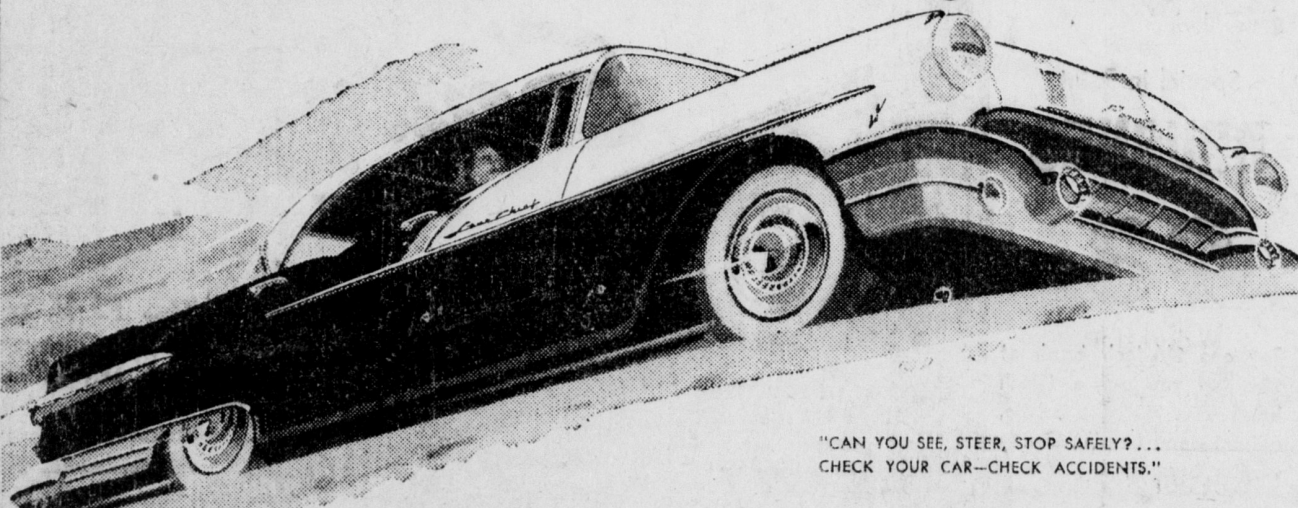

What About Pride of Possession? This graduate will say "My watch came from an 'upstairs' discount house' specializing in off brand watches, bearing 'fictitious prices'. I hope nothing goes wrong with it as I don't know where to get it serviced."

Here's Where the New Ideas Come From...

General Motors' new Technical Center—largest of its kind in the world—employs 4,000 engineers, scientists and stylists. These vast resources combine with Pontiac's own ultramodern engineering facilities to bring you America's greatest automobile value—Pontiac, a General Motors Masterpiece.

Watch "Wide, Wide World"—NBC-TV, Sunday, May 20—report on GM's new Technical Center.

...and Here's Where they GO!

"CAN YOU SEE, STEER, STOP SAFELY?... CHECK YOUR CAR—CHECK ACCIDENTS."

You'll know the engineers have been up to something special the first time you ask this long, low beauty for action, for here's "go" you can't get anywhere else.

The "go" of the newest in high-compression, high-torque engines—Pontiac's Strato-Streak V-8, so advanced and so efficient it delivered

more actual miles per gallon than any other "eight" in the Mobilgas Economy Run!

The "go" of the newest in automatic transmissions—Pontiac's Strato-Flight Hydramatic*, specially engineered for Strato-Streak power and smooth as silk at any speed!

Come on in and bring yourself up to date fast! *An extra-cost option.

PROFIT EIGHT WAYS! DRY SMALL GRAINS ELECTRICALLY!

Electrical drying in the crib or bin is downright good farming. And here are the eight proven ways in which you profit:

1. Harvest earlier. Store grains at maximum feeding value time.
2. Harvest in less time. No waiting for field drying.
3. Increase yields. Less loss, due to shattering.
4. Spread the workload. Harvest crops one at a time, safely.
5. Cut storage losses. Grain is kept at highest feeding and market value.

6. Avoid insect damage. Grain is always cool and dry.

7. Avoid weather losses in wet years. Harvest full crops every year.

8. Get highest market prices. High yield, high feed value pays dividends.

See your local farm equipment dealer... or call your nearest PP&L office... about a profit-building electric grain drying installation. Do it today, in time to get the most value from this year's crop.
