

CALVARY CHURCH BIBLE SCHOOL WELL ATTENDED

Calvary Bible Church's Vacation Bible School got off to a good start this year with an attendance of 164 on the opening night. The evening from 7 to 9 was divided into two parts with a recreation period in between and an opening and closing exercise in the church auditorium with all of the classes taking part in singing the hymns and choruses. During the first lesson period the students were taught the Bible lesson with the aid of flannelgraph and other visual aids by competent teachers. The entire staff of teachers and helpers were given a "Brush-up" teacher training course for eight weeks before the beginning of the Bible School with the help of Moody Bible Institute Training Film Strips.

Following the first study period, there was a game period. Upon returning to their rooms, the younger classes worked on various handwork projects which were designed to fix in their minds the lessons taught earlier. The older classes answered questions and did written or research projects centered around their lesson.

All the handwork will be on display on Friday, June 22 for the parents and friends to see and then will be taken home.

A picnic at Long Park is planned for Saturday, June 23 for all of the Vacation Bible School and all of the parents are invited to attend.

LET YOUR CHURCH BE YOUR TRANSFORMER

The electric transformer performs an important function in the use of electric energy for power, heat and light in the home and in industry. Electricity can be transported long distances; from its place of generation, only by the use of high voltage, voltage that would be dangerous to use in machine and home appliances. The transformer makes the electricity usable after its long trip by stepping down the voltage.

The Church serves an equally important function in our lives, as the transformer does in the field of electricity. It serves as a governor to regulate our thinking and habits that we may live in peace and harmony with one another.

There is a church in your community that will fill your needs. Find and attend it with consistency.

With the aim of fostering that which is good in family and community spirit this message is contributed to the religious life of the Community by the following:
