A STUDY IN CONTENTMENT

A boy, his dog, a shady spot on the bank of a stream, a "Tom Sawyer" pole on a day "Knee Deep In June" — a setting for perfect contentment. But boyhood days are gone all too soon.

How may we assure him that peace of mind and sense of well being that make for perfect contentment throughout life. There is a way: That way is to provide the means for his ideals and moral courage; to grow with his mind and body. Training that results in spiritual, as well as mental and physical growth, will bring everlasting contentment. Cultivate and nourish the moral fiber at the church of your choice each Sunday.

With the aim of fostering that which is good in family and community spirit this message is contributed to the religious life of the Community by the following:
