feat from the Elizabethtown team when they defeated the E-town girls on their home field 13 to 4 last Thursday evening. Judy Frey pitched for the local winners. Two weeks ago, the locals lost their only game to the Elizabethtown group 23-22.

Friday morning, although the parks officially closed on Thursday night, youngsters conducted a clean-up campaign of the two areas. Following the campaign, the directors, Mr. and Mrs. Marshall Gemberling, John Day and Miss Joanne Dummick, prepared the equipment for storage until next year's playground season.

Monday night the girls' softball team of the playground defeated the Bainbridge girls team by a 6-4 score on the Bainbridge diamond. Judy Frey pitched for the winning team and had 6 strike-outs to her credit.

With the Monday night victory, the local girls hold a five win and one defeat record. The age of the local girls was younger than any of their opposing teams. Mt. Joy's team included four 11-year-olds; one 12-year-old; one 13-year-old; two 14-year olds and one fifteen-year old. The average age of each of the opposing teams was 15.

Nothing takes to the road like a Chevy!

Once in a blue moon a car like this comes along—a design so advanced in performance, so beautifully balanced that it stands out above every other car on the highway. It has a solid, sure-footed way of going that makes driving safer and more pleasant on any road. And you feel a very special sense of security in its rapid-fire responsiveness to your touch on the wheel, brakes and accelerator. You can see that the '56 Chevy is a standout for style. But until you have driven one you're missing the best part of the news—the fact that Chevrolet is the smoothest, solidest, most wedded-to-the-road automobile you ever bossed. Try it and see.

America's largest selling car—2 million more owners than any other make!

You get more car when you buy it... more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models!
