Since his question was used on the program, Mr. Hollinger received a Longine Prestige wristwatch.

Monday night, Mr. Hollinger was the winning contestant on WGAL-TV "Stump Your Neighbor" program. under the vocational agriculture program of the Donegal High School. Last January, he exhibited his heifers in the Harrisburg Farm Show for the first time in the junior yearling class. This was also a first for the school since none had ever been exhibited at the Harrisburg show prior to Kenneth's entry.

In the spring of 1956 he purchased three additional heifers. In addition to his herd, he also is carrying on corn and tobacco projects plus 500 laying and hatching hens. His other activities include participation in the Future Farmers of America Donegal chapter of which he is chaplain. He sings in the school chorus and plays saxophone in the school band plus entering into activity in his local church.

Wins Prizes

During the Hershey Pennsylvania Dutch contest in August he showed three of his animals. He placed first in the junior yearling class; fifth in the senior calf division and eighth in the senior yearling class. His next appearance was entering the southeastern regional FFA Junior Dairy show at the Guernsey Barn, Lancaster, on Aug. 31. The entire department also escorted Kenneth to the state show in Harrisburg last Thursday.

Takes Summer Trip
