P. P. & L. REPORTS ON EARNINGS

Earnings accruing to the common stock of Pennsylvania Power & Light Company for the twelve months ended August 31, 1956 were \$20,364,174, equivalent to \$3.44 per share of common stock outstanding at such date as compared with \$18.007,147 or \$3.05 per share for the twelve months ended August 31, 1955. Earnings for both periods include earnings of former subsidiary, The Scranton Electric Company, (merged January 31, 1956) for applicable periods prior to merger and earnings for 1955 also include restated earnings of the former Pennsylvania Water & Power Company (merged June 1, 1955). Revenues for the twelve months ended August 31, 1956 on the same basis were \$128,427,704, an increase of 7.6% over comparable revenues for the previous year.

If effect is given to the order of the Pennsylvania Public Utility Commission dated July 16, 1956, which directs the company to reduce rates by approximately \$1 million annually based on conditions for the twelve months ended February 28, 1955 and which the company has appealed to the courts, it is estimated that earnings per share would be \$2.33 for the twelve months ended August 31, 1956 and \$3.01 for the twelve months ended August 31, 1955.

The Linotype machine was invented by Ottmar Mergenthaler. It was first used in 1886 by the New York Tribune.

For All We Hold Sacred Attend Church!

Comebody's Neighbor

He probably doesn't look much like the man next door. He does his arithmetic with the aid of a centuries-old gadget called the abacus, and he writes the results in characters that would be quite undecipherable to you ... yet you probably have far more in common with him than you'd ever dream.

Like you, he wants peace. Like you, he wants a good future for his children, and he wants them to have more than he has had. Like you, he has experienced happiness and sorrow, love and disillusionment. Like you, he prays.

On World Wide Communion Sunday, he will be going to Church and, though this may seem a bit odd to you, he will be praying for you. Yes ... for you, and for everyone else in the world, friend or enemy.

Why not join him? Why not, on World Wide Communion Sunday, go to your own church and include him ... him and everyone else ... in your prayers.

Pray for peace, too. Remember, the power of prayer is a wonderful thing ... especially when it is given many voices.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
