No. It's just a rope . . . at the breaking point. But, frankly, it's a good illustration of how a man feels when his nerves are "worn to a frazzle."
The Church has never claimed that religion is a cure for frazzled nerves. But a man's Christian faith does this for him:
It shows him a Purpose in life more important than mere existence. It shows him a Power more effective than his own strength. It shows him a Future more rewarding than selfish gain. And it gives him courage more lasting than the sheer force of his human will.
With these spiritual resources, founded in the certainty that God understands and helps, a man never reaches "the breaking point." For when his human reserve is exhausted . . . he has only begun to tap the vast reservoir of Divine Strength.
THE CHURCH OF YOUR CHOICE CAN SHOW YOU THE WAY!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of his moral and material support. Plan to go to church regularly and read your Bible daily.
