MT. JOY MEN PLAY ON WINNING TEAM

Two local men were members of the ten man chess team who defeated the West Point Military Academy chess team over the weekend. The two who are members of the Lancaster County Red Rose Chess Club are H. Morrell Shields, Columbia Ave., and Grant Miller, Mount Joy R1.

The county team defeated the West Pointers 6-4. Mr. Shields, who is the first man on the team, drew a bye from his opponent and Mr. Miller, who plays eighth, won his match. The next match for the local team will be with the Annapolis Academy in December.

ASSEMBLIES EXCHANGED

Today an exchange in assembly programs took place between Donegal High School and Elizabethtown High School. The cast and directors of the Donegal senior play presented a showing of their "Wedding Spells" for the Elizabethtown students. The Elizabethtown school seniors' play was shown to the local students.

Thomas Alva Edison patented more than 11,000 inventions.

ICE DANCERS EXTRAORDINAIRE

Walter and Irene, who hail from New York, are again among the top stars of the Shipstads and Johnson Ice Follies of 1957 at the Hershey Sports Arena, November 27 through December 8. Walter and Irene, on their sixth successful tour with the Ice Follies, have decidedly different style to their number, "Dance Classics." The 1957 edition is the biggest and most modern show ever trouped under the Shipstads and Johnson banner.

FIFTEEN ATTEND HOCKEY PLAY DAY

Fifteen members of the Donegal High School hockey team participated in the Central Pennsylvania High School Field Hockey Play Day Tuesday at Central Dauphin High School. They were Ruth Loewen, Patricia Hamby, Judy Grove, Betty Raffensperger, Shirley Gutschall, Loretta Hornafius, Judy Frey, Bernita Baughman, John Gilbert, Kitty Buckwalter, Rose Raber, Marcia Engle, Cynthia Lehman, Mary Jane Meekley and Sylvia Mumper. Mrs. Charles Brooks, coach of the team accompanied the girls.

Jean Gilbert, playing right fullback; and Rose Raber, playing goalie; were chosen for the first all star team as chosen by the judges of the day. Judy Frey, left halfback received honorable mention.

A total of seven schools were represented at the event. The locals played games with Central Dauphin, Northern, Susquehanna and North Castle high schools. Each school played four games making a total of twenty-eight games played throughout the day. The all-star players were selected while the judges watched the games in progress.

Disc Dope

By Mary Smith

Shirley and Lee, who have just finished taking the rock 'n' rollers over with "Let the Good Times Roll," have another rising hit, "I Feel Good" is on the Aladdin label and is destined to become a favorite with teenagers everywhere.

Mercury Records have just released a new one by Patti Page. "On London Bridge" is a sweet ballad and is already popular with the dream-eyed! It's backed by "Throw Mama From The Train A Kiss."

In one month's time Guy Mitchell has become one of the most popular guys around. His recording of "Singing the Blues" is already number "12" on the national hit lists.

The Flares and their recording of "Aladdin's Lamp" are going "Great Guns" in the South.

Good old Nervous Nervous is at it again. This cool guy of "Transfusion" and "Ape Call" has a new sound (and what a sound) called "The Fang".

Buchanan and Goodman who hit the nation's "pop" list during the summer with their novelty number "Flying Saucers" have a new one, "Trial" is another of their cute combinations of "Pop" tunes that adds up to a good laugh.

Johnnie Ray's record of "Just Walkin' in the Rain" has topped the record sales of Elvis Presley's "Love Me Tender". Elvis answers back with "Love Me" a stirring ballad which he introduced on a popular Sunday night TV show. It is one of the most requested records in the East and is fast catching on to the whole nation.

That's about it for this month. Watch for new developments in the record line in about a month.

Donegal Youths At Exposition

Two boys of the Witness Oak Chapter of the Donegal High School F. F. A., Gerald Brandt and Fred Bernhard showed their herford steers at Timonium, Md., at the Eastern National Livestock Exposition. Their animals both ranked second in their classes. Grant Miller is buying top herford show steers at the fair today for the boys in the chapter. The entire chapter is attending the fair today to see the steers being bought and sold.

Henry Griner and Clyde Brandt also showed. The quartet cared for 20 heads of cattle as representatives of Lancaster County F. F. A. and 4-H.

LEGION COMPLETES PLANS FOR SMOKER AND DINNERS

Smoker plans were completed at the regular meeting of the local American Legion Post 185. The smoker will be held tomorrow evening, Nov. 16, in the posthome with Geo. Liebschultz, chairman, in charge.

The first list of eighty-five social members were accepted into the club at the meeting. Sunday dinners are again being served at the post home. Begun under the supervision of the new steward, Sunday dinners will be served from 1 to 8 p.m. with a special Thanksgiving dinner to be served Thursday. The public is welcome.

WOMAN HOSPITALIZED

Mrs. Kathryn Felker, 77, of 29 Frank Street, was admitted to the Lancaster General Hospital Monday night suffering from a possible fracture of the left hip and an injury of the left ankle. She said that she fell in a garage at her home.
