Reorganize Gym Club For Third Season

The program is designed to meet the recreational needs of all ages from 18 to 80 and is open to all male citizens of Mount Joy and vicinity. Each evening the program is divided into several parts, starting with a period of calisthenics and followed by a period of volleyball and usually a session of basketball.

This year a new feature will be the forming of several teams from the group to play games of all kinds in competition throughout the season. Each individual is permitted to participate in as few or as many activities as he desires.

The gym Club is a non-profit group of local citizens formed for the purposes mentioned above. However, a charge of 50c for each evening that an individual attends is made to cover expenses.

All men are required to take gym shoes to wear for the protection of the gymnasium floor. Showers are available so take soap and towel.

The entire program is under the capable supervision of a professional director and is planned to insure a safe and enjoyable program for all.

As in former years, the program again is sponsored by the Mount Joy Old Timers Athletic association which urges all of their members to participate and support this excellent community program.

Illustrated talk by Mr. Clayton Garrett, chairman of Camp Com. of Camp Chiquetan; Benediction, The Reverend Spangler.

Approximately 30 scouts and parents were present. Refreshments were served at the close of the meeting.
