

PP&L ANNOUNCES EARNINGS AS OF OCTOBER 1

Earnings accruing to the common stock of Pennsylvania Power & Light Company for the 12 months ended October 31 were \$20,476,976—equivalent to \$3.46 per share of common stock outstanding at such date, as compared with \$18,141,920 or \$3.07 per share for 12 months ended October 31, 1954.

Earnings for both periods include earnings of former subsidiary, The Scranton Electric Company, (merged January 31, 1956) for applicable periods prior to merger and earnings for 1955 also include restated earnings of the former Pennsylvania Water & Power Company (merged June 1, 1955). Revenues for the 12 months ended October 31, 1956 on the same basis were \$129,332,789, an increase of 6.8% over comparable revenues for the previous year.

If effect is given to the order of the Pennsylvania Public Utility Commission dated July 16, 1956, which directs the company to reduce rates by approximately \$1.4 million annually based on conditions for the 12 months ended February 28, 1955 and which the company has appealed to the courts, it is estimated that earnings per share would be \$3.35 for the 12 months ended October 31, 1956 and \$3.1 for the twelve months ended December 31, 1955.

Cookie Sale Is Friday

For the third year, a Christmas cookie and pie sale is being planned by the Mount Joy Elementary School and Home Association. The sale will be held Friday, Dec. 14, in the Roberts Electrical Store, East Main Street, beginning at 4 p.m.

All the parents of school children will be asked to donate cookies and pies to the sale. The cookies and pies are to be taken to the store at 3 p.m. the day of the sale. Mrs. Arthur Schneider is chairman of the event. She announced that if persons are unable to have their donations at the store by 3 p.m. they are to call her in the morning at 3-6383.

Florin To Hold Carol Program

The annual Florin Community Christmas Carol program will be held Monday evening, Dec. 17, at 7:30 p.m. The program again will be held in front of the First National Bank and Trust Company Branch Bank.

The Elizabethtown College male quartet, and the ladies quartet will furnish special music, and the familiar carols will be sung by the audience.

The Rev. Charles Wolfe of the Glessbrenner E. U. B. Church of Florin will bring the Christmas message. The children will be given a treat after the program. Everybody is welcome to attend this fast growing community project.

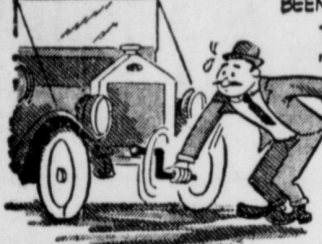

BICYCLE TO BE GIVEN

Eshleman Brothers, West Main Street, will give a bicycle away the day before Christmas. Information may be secured on how to win the bike by inquiring at the store.

LEFT FOR DODGE CITY
Mr. Fred Schneider and Mrs. Maude Conrad left Wednesday for Dodge City, Kansas, where they will spend the Christmas holidays with the latter's son, William Conrad, and family.

"DRIVING THROUGH THE YEARS"
The Story of The Motor Car
Safety Features on Cars

THE AUTOMOBILE INDUSTRY HAS BEEN SAFETY-MINDED FROM THE START. KETTERING'S "SELF-STARTER" IN 1911 NOT ONLY MADE CARS EASIER TO START, BUT SAFER, AVOIDING MANY A BROKEN ARM FROM THE CRANK "KICKBACK."

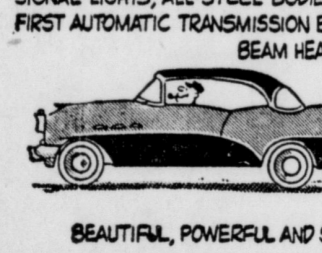

IN 1912, THE STORAGE BATTERY MADE POSSIBLE BETTER, SAFER LIGHTS- AND WINDSHIELD WIPERS IN 1916 MADE DRIVING IN RAIN SAFER ...

...BY 1920, FOUR-WHEEL BRAKES, HYDRAULIC BRAKES, AND IN 1925, BUMPERS BECAME STANDARD EQUIPMENT.

SHATTERPROOF GLASS CAME IN 1928 AND KNEE ACTION IN 1934, SIGNAL LIGHTS, ALL-STEEL BODIES, THE FIRST AUTOMATIC TRANSMISSION BY BUICK IN 1937, SEALED BEAM HEADLIGHTS IN 1940, AND TUBELESS TIRES IN 1948. THESE AND MANY OTHER ENGINEERING AND DESIGN INNOVATIONS MAKE TODAY'S CAR A BEAUTIFUL, POWERFUL AND SAFE MEANS OF TRANSPORT.

From OLDS... Another Great Engineering Advance!

WIDE-STANCE Chassis Design

Oldsmobile's pioneering advance in "ride engineering" brings to Olds a new, sweeping-low silhouette... an exciting new style that means new riding qualities, too! New smoothness! New stability! A wonderful new low-level ride! These are your thrills with Olds for '57... and here's why:

The new Wide-Stance Chassis is sure-footed and stable with new Pivot-Poise Front Suspension and Counter-Dive for "on-the-level" stops. The new L-Bow Drive Shaft permits a lower center of gravity, without stealing head room. Outboard-mounted rear shock absorbers pave every road with pleasure! And an 8-inch-wider frame accents your riding comfort.

Here's your kind of performance, too... in a great, new Rocket T-400 Engine,* where advanced engineering by Olds adds up to economy when you want it, power when you need it! Seventeen exciting models in three great series—Golden Rocket 88, Super 88, Starfire 98! Come visit our showroom now... see why Oldsmobile is the value-car of the year!

*277 h.p. Rocket T-400 Engine standard on all models; special Rocket Engine, with up to 312 h.p. available at extra cost.
