Well that ain't surprising. I nearly tripped on the durned thing myself!"

Well that ain't surprising. I nearly tripped on the durned thing myself!"

Well that ain't surprising. I nearly tripped on the durned thing myself!" Young Sam, down the road, asked me the other day how he ought to protect his chain saw during periods when he's not using it. That's a good question, I reckon, for all us tree farmers and woodlot owners to consider. 'Cause proper care will assure better performance from the saw!
