Member, Pennsylvania Newspaper Publishers' Association

Band Elects Douglas Fish

Douglas Fish was elected president of the Donegal high school band with Miss Nancy Diller as vice president; Samuel Harnish, Miss Paula Weisen, Barry Bernhart, Miss Carol Cupper and William Young, as members of the Council.

Appointed positions are filled by Douglas Fish, student director; Richard Bowers, general manager; Miss Judy Naugle, librarian; Miss Joyce Berrier and Miss Dolores Boyles, assistants; Gary Zeller and Harold Etsell, equipment managers; Miss Kay Kaufman, quartermaster; Miss Karen Baker and Miss Jackie Mariner, assistants; Samuel Wittle and Paula Weisen, publicity.

Rose Society Holds Meeting

The Elizabethtown Rose Society met on Thursday evening, January 24th at 8:00 o'clock in the Education Room of the bank building.

Valentine with Hearts of Love—at this time the "Rose and Love Song" would be a wonderful valentine gift, etc.

George Doyle was a charter member of the Rose society.

OUT ON A LIMB
By Stumpy McCulloch

Man, it's chilly down in my neck of the woods these days! It's so cold that even the wind is howling about it. Oh Hannibal says winter is the season when you keep your house as hot as it was in the summer when you complained about it!

But the winter months give me a little time to work on my wood lot. These days I'm cutting a few trees for the local pulp mill!

Amazing things are happening in the lumber industry these days. For instance, did you know the industry has now developed more than 4000 wood derivatives, which are used in such widely scattered products as asphalt shingles and vanilla ice cream?

Today, they tell me, plywood is the fastest-growing building material in the country. New plywood products include low-priced particle board, which is made from chips and shavings, and hardboard, which is made from wood shavings.

But that's not all. A lot of companies are now packaging their products with a special kind of paper which provides protection against moisture, fire, and rodents—instead of drums. Others are using fiberboard cartons instead of wooden crates.

Nowadays, industry is making products out of about 75 per cent of every tree we cut—as opposed to about 30 per cent in 1935. They're using sawdust and shavings for making plastics, glues, and hardboards. From bark, they're building "cork" tile, insecticides and floor wax. Stumps and scraps are being used for hardboard, rayon, sugars and alcohol.

As one fellow puts it, the lumber industry is growing fast because of man's resourcefulness grafted on nature's resources. And that means a better income from our tree farms and wood lots!

"Dagnabbit, young feller," Ol' Ezra spluttered, "why did you tell me this stuff was toothpaste?"

"Cause it is toothpaste," the druggist said.

"No it ain't," said Ezra. "I tried for half an hour this morning, and I'll be darned if it would make my teeth stick in!"

"So long! See you soon!"

FLORIN

Callers at the home of Mr. and Mrs. George Mumper this past week were Mr. Frank Arnold, near Banbridge, Rev. Weist of Maytown and Mr. and Mrs. Leon Brinser of Middletown.

Mr. and Mrs. Aaron Buckwalter entertained the following to a Turkey Dinner on Sunday, Mr. and Mrs. Elmer Eberly, Mrs. Susan Miller and Mr. and Mrs. John Grube of Lititz.

Chieftain Pontiac

NO WONDER Most Guesses are Hundreds Too High!

If you think this Chieftain Pontiac looks out of place in the low-price field, you've got plenty of company. But there it stands... in solidly with the so-called low-priced three—a big, bold, beautiful eye-opener with not a thing to remind you of its very modest cost. Start with looks. Here's the distinction of clean, unfrenzied, straight-to-the-point Star Flight lines that are built in, not improvised. But it's in the performance department that the price guesses really run wild! Drive it and see for yourself. Pontiac's big 347 cu. in., 10 to 1 compression ratio V-8 doesn't know what strain is, no matter what you demand of it. New precision-touch handling makes "driving effort" a term only for your memory book. And the Chieftain's 122-inch-wheelbase Level-Line Ride is so smooth that only the passing road signs remind you that you're earth-bound. In fact, nothing in the low-price field even comes close in power, wheelbase or features! If you think all this is beyond your reach, a visit to your Pontiac dealer for a talk about price will put you in that wonderful club of Pontiac owners who have discovered that it's rewriting the book in the low-price field!

TO WEAR GOLD BADGE

Ronald Lauer was elected to wear the gold badge for one week by the patrolmen of the local elementary school sixth grade. The patrolmen chose Ronald because he kept a small girl from being hit by an automobile.

The group was told by Charles Heaps, building principal, that a party will be held for them some time in February at the firehouse.
