For All We Hold Sacred Attend Church!

THE MEASURE OF CIVILIZATION
Some folks judge civilization's progress by the kind of houses they live in. Others point toward the giant strides of science or industry—or the striking advance of music, art and literature. Yet civilization is perhaps best measured by the kind of people it produces. Picture a man who respects the dignity and rights of others, and who looks with compassion on human suffering. He is guided in all things by an abiding love for God. His moral stamina never ebb. His spiritual courage grows stronger. Multiply this man by the thousands . . . by the millions . . . and you'll see a civilization higher and greater than has ever existed. The Church is the one great institution that devotes itself to the development of man's character and spirit. As long as it continues to thrive, we can expect our civilization to flourish and progress. Help extend the influence of the Church—give it your support, make it a part of your life!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a steelhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
