George Frank 76, who lives at 210 Mount Joy St., was taken Saturday in the Friendship Fire Company No. 1 ambulance to a Lancaster hospital for examination following an accident Friday night on East Main street.

The mishap occurred in the first block east of the Main and Barbara Street intersection. Police Chief Parker Neiss was driving eastward on Main when he noticed Frank step off the sidewalk, between two parked cars and into the path of the officer's car.

Neiss had applied the brakes but on the snowy pavement the car, which was traveling slowly, slid into Frank. He was bumped to the pavement, suffered a bruised left leg. He refused medical assistance at the time but the next day his physician advised further examination. There was no fracture.
