Come try the BIG BUY
(You can boss this Buick Special for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.

And look what you get for so little extra money.

You get the most completely new Buick in years.

Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Manufacturer's Suggested Price—for this

2-Door SPECIAL 6-Passenger Sedan

\$2595⁸³

(including Delivery and Handling Charges and Federal Excise Taxes)

Transportation charges, state and local taxes, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional.

Prices may vary with individual dealer pricing policies.

Brand-NEW DYNAFLO PERFORMANCE

—Instant Response—
—even without switching the pitch
