

Pancake Meal Is Saturday

"All the pancakes you can eat" is the theme of the third annual Pancake Breakfast Saturday morning, April 6th, in the local firehouse. The local Lions Club will serve the breakfast to customers from 6 a. m. until 12 noon. In addition to the pancakes, sausages, fruit juice, coffee and milk are included on the menu.

Tickets are being sold by members of the club and may also be purchased at the door. Paul Gingrich heads the committee assisted by Henry Zerubey, Raymond Knorr, William Batzel, Robert Brandt, Aldus Hannan and Leonard Johnson and David Frantz. Members of the club will begin operations for the event at 4 a. m.

Members of the Girl Scout Troop 75 which is sponsored by the club will have a stand in the diningroom where they will sell mixed nuts and peanuts to defray expenses for summer camping events. Door prizes will be awarded this year. Although the awarding will not be completed until 12 noon, persons need not be present to be named winners.

Out-of-state persons driving through town Saturday morning may have the privilege of free breakfasts. The local police are planning to cooperate in the project by flagging down several motorists and then inviting them to breakfast. The club will have on hand a photographer to take pictures of the out-of-state guests.

ROADMASTER 75

Custom Built by Buick

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced.

You will see what we mean the first time you glimpse the interior.

The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent.

The seats, for example.

They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft.

The doors present a new standard of luxury and restfulness—fully uphol-

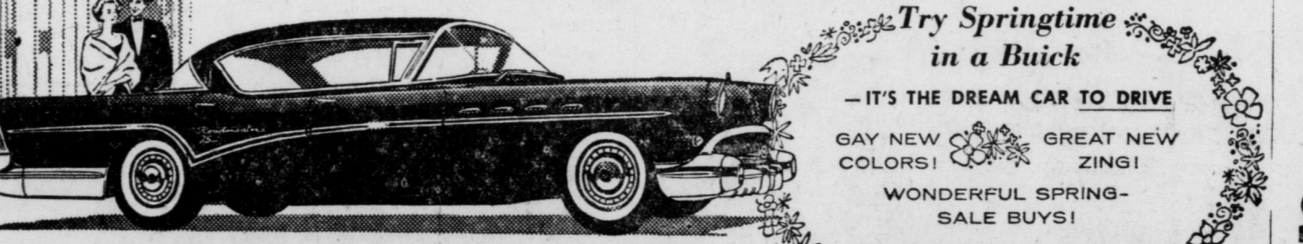

stered and softly cushioned from floor line to window.

The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car.

The complete interior is matched by the mechanical excellence that is ROADMASTER tradition.

Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes—*newest and the finest in the fine-car field.*
