

Landisville - Salunga

"Good News", a comedy operetta, will be presented by the Music Department of the Hempfield high school at the Landisville school's auditorium on Thursday, Friday, and Saturday nights, April 25, 26 and 27.

The operetta, which has its setting a college campus in the twenties, had a two-year run on Broadway and was made into a Hollywood film which found eleven student operettans playing lead and supporting roles accompanied by a 40-voice mixed chorus singing such familiar melodies as, "The Best Things in Life are Free", "Lucky in Love", and the title song, "Good News". The "Varsity Drag" dance routine based on the Charleston, will be one of the featured numbers.

Musical direction will be under Russell P. Getz; dramatics, Miss Mary Lee Forney; and choreography, Mrs. Lois Blake and Miss Barbara Myers.

Twelve students of the Senior and Junior classes of Hempfield high school were inducted into the Alpha Chapter of the National Honor Society last week in special ceremonies held at the Landisville school.

Members of the Senior Class inducted were Janet May and Charles, Verna Denlinger, Barbara Fasnacht, Jay Shenk and Pat Fridinger. Juniors

Hackman, Robert Eby, Mildred Landis and Linda Mumma.

The Rev. Wallace Fisher, pastor of Trinity Lutheran Church, Lancaster, addressed the society members and assembly students on the topic, "The Odds God Gave Us".

The program was conducted by Jane Young, president of the chapter, and Trevena Stehman sang, "The Lord's Prayer" for the benediction. The society is for the purpose of recognizing students who are outstanding in scholarship, leadership, character and service. A tea followed the formal induction ceremonies attended by parents of new members, society members and teachers.

The newly chartered Hempfield VFW Post 5995 will sponsor a hypnotism show at the Landisville Fire Hall on Thursday, April 18, at 8:00 p.m.

Professor George Singer will present his hypnotism show, "Hypnotic Marvels", in which he will demonstrate pain-control and post-hypnotic suggestion as well as many other phases of the art. Professor Singer, who studied hypnotism with Dr. Kohler of Vienna, is reputed to be one of the most famous exponents of the subject in the entertainment field.

Officials of the veterans organization in Landisville have announced that the benefit show will be opened

Sub-area 3, banquet last Thursday night at the Hempfield high school, Landisville, to celebrate the 100th anniversary of the National Education Association.

Guest speaker at the special occasion was Dr. D. L. Biemesderfer, president of Millersville State Teachers College. Dr. Biemesderfer stated that the very life and essence of our American Democracy depends upon our ideals of free public education. "Our school curriculum", he says, "must be under constant study in order to keep it on par with scientific and technological progress".

Walter Reese, Jr., president of sub-area 3 and Supervisor of Elementary Education in the Hempfield schools, conducted the meeting. Leroy M. Nissley, high school principal, introduced the speaker to the assembled teachers.

Six new officers were elected last week for the Landisville-Salunga Area Junior Chamber of Commerce in a special election meeting held by the club at the Landisville Fire Hall.

Fred Geiger, Jr., Stanley Avenue, Landisville, was elected president to succeed outgoing president Joseph Brown. Others elected were Marvin Burkhardt, 1st vice president; Glenn P. Stehman,

2nd vice president; William Piper, treasurer; Phillip Biemiller, secretary; and Harold Cassey and H. L. Bair, directors.

The officers will be formally installed at a dinner-meeting of the service club on May 25 at the Mount Joy American Legion Home.

Pontiac Springs Another "First!"

-Lowest Priced Car with Tri-Power Carburetion!

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field... with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto—the other two carburetors pour out a bonus of go as long as you need it. Ease up... and you're back to the gas-saving economy of one-carburetor operation! In short—your new Pontiac Chieftain can be tame or terrific—at the touch of a toe! Try it, and you'll see why they're biting their nails in the low-price field. Check the car... check the price... and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!
