For All We Hold Sacred Attend Church!

AND THEN...IT'S EASTER!

Yesterday, these four were their Mothers' despair. Their faces were grimy, their play-clothes spattered with mud. They were even ready to put up their fists and fight when the rivalry between spacemen and cowboys became a little too keen.

Today, they are immaculate. They sing like young angels. They even look like angels... because today is Easter! And these boys are proclaiming the glorious message that Christ Is Risen.

Easter is the time of promise, beauty, awe at the miracle of birth and rebirth. Easter is the time to let the joy of living seep into you. It is the time to tell yourself that you believe... and, if there's been any doubt about it, to start believing again.

Spend part of your Easter in Church. Spend the rest of it looking, with new eyes, at the wonderland God has created around you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Does THE LUTHERAN CHURCH "Talk About Sin Too Much?"

"Why not talk about pleasant things? Every Sunday morning, you start out with confession," said one John Doe, when he had visited a Lutheran church a few times, "and I don't like it."

Most of us don't, of course - don't like to face the facts: That we are sinners in our deepest selves, sinners in the presence of a Holy God, sinners living on borrowed time - time that runs on as long as God permits but destined one day to be drawn up short by Eternity!

Such facts are pins in the balloon of human ego. They are not pleasant facts.

Nonetheless, they are facts. Sin is serious.

Sin is so serious that God had to come to earth to deal with it - come to earth, and be born in a cattle shed, and bear the reproach of the "righteous," and let Himself be nailed to a slab of wood and hanged up on a pole to die!

That serious is the situation of John Doe, who didn't "like" to hear about sin! - so serious that God saw no way out for John Doe except to go down Himself and get in the middle of the mess that John Doe has made of things and bleed a way out for him.

The joy of the Christian faith is known only to those who face up to its background: Sin is serious - man is hopeless without Christ.

That is why Lutheran faith and worship are joyous. If your life is missing such an inner joy, perhaps you are wondering why. A visit with Lutheran laymen could help you find the answer. Fill in the coupon, and mail it today.
