Ashley, whose summer and winter stock credits extend from South Carolina to Massachusetts, will fill the important position held for the past seven seasons by Jack Gilchrist who died suddenly in January in New York.

Ashley arrived from New York last Thursday for "Lullaby," a comedy by Don Appell, which features Elaine Ivana, John Main and Mary Jane Kersey in the major roles. Charles Cogan directs and Gene P. Otto is production manager.

## CHATTER

By Nancy Rainbolt

Summer is officially here - this isn't such an appropriate title, but nevertheless it is in great demand—Steve Lawrence doing "Can't Wait For Summer".

Here's two we haven't heard much about yet, but I'm sure they will be popping up on the hit charts soon, especially since the artist is none other than Elvis Presley. "Teddy Bear" and "Loving You" are both from his forthcoming movie, "Loving You". "Teddy Bear" is a rock rockabilly item, while the flip features a tender reading of the film's romantic theme.

A new organization which calls themselves The Coasters, have come out with a recording, both sides of which are going great—"Young Blood" and "Searchin' ". Both are fast moving rock'n roll numbers. Another couple of fast ones are "Susie Q" by Dale Hawkins and "C. C. Rider" by Chuck Willis.

After the Diamonds' hot record of "Little Darlin' ", they have another try entitled "Words of Love". This, also, is destined to become a hit.

Patti Page has a real pretty number in the top twenty, "Old Cape Cod". The flip is "Wondering". This one isn't on the top, but it is still nice to listen to.

The Dot label seems to be in great demand and very popular recently. They have six out of the top twenty this week. Some of the hottest recording stars in the business are on the Dot label, such as Pat Boone, Gale Storm, The Dell Vikings, Jim Lowe, and Bonnie Guitar, to mention a few. Pat Boone's "Love Letters in the Sand" has reached the prized position of Number 1, according to the Billboard magazine national survey. "All Shook Up", by Mr. Presley has dropped to number two.

A beautiful instrumental "Around the World" is done by Victor Young. Also "Me Be Loved".

## Day Camp Is In Progress

One hundred fifty-one Girl Scouts and Brownies from Mount Joy, Florin, Maytown and Marietta are attending the local Day Camp at the Little Chiques Park this week and two days next week. In Brownie Unit I the girls are studying Mexico, are making children from yarn and are learning a dance with Mexican sombrero; Brownie Unit II, also studying Mexico, is making instruments for a Mexican band; Brownie Unit III, studying Ireland, is making Irish linen napkins with painted designs and studying First Aid; Brownie Unit IV, studying Germany, is passing Tenderfoot requirements and making pottery that requires no oven baking. This unit is also studying how to tell time by a sun dial which was erected by Gary Maxwell, a local Boy Scout.

Intermediate Unit I, studying Italy, is working on leather goods; Intermediate II, studying Sweden, is making pottery and all forms of lashing. They have completed lashing two tables and other units of furniture for their camp site. Intermediate Unit III, studying Japan, is working on textile painting on silk. They are also learning to use chop sticks with sets sent to their leader Mrs. Ralph Rice from a friend in Japan. Intermediate Unit IV, studying Hawaii, is making grass skirts and leis. The Senior Scouts have set up a primitive camp site and are studying France.

Each unit is also studying songs and dances of its chosen country and has a flag of the country at the camp site.

Parents Night is planned for Friday, June 14, 6:30 at camp. In case of rain, the event will be held in the local elementary school. Not

Eddie Fisher has a lyric version of the same tune. They both are real nice. "I Just Don't Know", by the Four Lads, is gaining popularity at a fast pace.

Tommy Sands is carrying two numbers from the "James Dean Story", "Fan-tastically Yours" and "Let Me Be Loved".

only parents are invited to attend, but the public is invited to see the camp in the town park.

The Girl Scout Neighborhood extends its thanks to those who made the Day Camp possible. They thank the school board for permission to use the park and to use the elementary school. They especially appreciate A. D. Seiler's efforts to have Frank Germer to take charge of maintaining the park.

Thanks is extended to Jacob Aument and the SICO Company for having the park in such good condition; to Clarence Herr for supplying a panel truck for transportation and storage of equipment; to Christ Walters and the J. C. Snavely Company for lumber; to the E. U. B. Presbyterian, Episcopal, Lutheran Churches and Florin North School for opening their buildings in case of rain; to Johnson's bus service for transportation to and from Heisey's Ranch; and to the local Lion's Club

for the use of its loudspeaker.

Wednesday night the SICO Company erected a permanent flag pole at the camp site for the placement of the American flag daily.

Next Tuesday the Brownies will visit Heisey's Ranch and will meet at the old community building at 9:15 a.m. That day the intermediates and seniors will have a progressive international dinner in camp. Wednesday the schedule will be reversed.

Each evening the various units are having "sleep-outs" at the camp site. Mrs. Warren Foley is camp director.

## OLDSMOBILE

STYLED TO SMART EASTERN TASTES

"He sure knows how to pick 'em!"

Bridesmaid: You mean Lucille... or are you talking about their Oldsmobile?

Best Man: Both! But I was really looking at their car. What a beauty!

Bridesmaid: They sure are a lucky couple.

Best Man: And smart, too. That Olds costs less than you'd think. It has style that will stay in style. They get real comfort... a wonderful ride... and the big Rocket Engine...

Bridesmaid: She looked so lovely...

Best Man: They'll really find out how smart they are to own an Olds at trade-in time. Why, an Olds brings a better price than lots of the most expensive cars, even after a couple of years of use.

Bridesmaid: You know what I wish? I wish that someday...

Best Man: That you can own an Olds? Don't waste your wishes. Let's take a ride in my Golden Rocket 88. Maybe your dreams'll come true sooner than you expect.
