Mrs. Ruth B. Marsh, head of the Home Economics Department at Hempfield high school, was awarded an honorary membership to the Executive Council of the Pennsylvania Future Homemakers of America on Tuesday at the twelfth annual convention of the state group at the Pennsylvania State University.

Honorary membership to the FHA executive council is awarded to those adults who make an outstanding contribution to the organization. Mrs. Marsh, who resides at 2612 Columbia Avenue, Lancaster, was instrumental in organizing the first Lancaster County FHA Council, which now has a membership of 107 persons. She also organized the junior high FHA at Hempfield. Before beginning her teaching duties at Hempfield, Mrs. Marsh was the county advisor of Home Economics in York County.

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

When you see a steep downhill stretch ahead, you set the selector at "GR" (Grade retarder) and Turboglide helps slow you down. Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.
