Good news travels fastest by long distance telephone  
If you're away from home when something wonderful happens... and you're bursting with good news that just can't wait... that's the time to make a long distance telephone call.  
In a matter of mere minutes you're home telling the good news in the most personal manner possible.  
You'll find long distance telephone service economical, too... especially if you call after 6 p.m. or on Sunday when low rates are even lower.

## What To Do In A-Attack

Guidance for small manufacturers in carrying out preparations for continuing plant production or restoring it in event of a nuclear attack upon United States industrial centers is contained in a new publication issued by the Business and Defense Services Administration, U.S. Department of Commerce. The publication is entitled "Industry Planning for the Continuity of Production in the Event of Enemy Attack." Illustrations in the booklet show how some companies are taking advantage of the availability of underground storage of vital corporate records.  
Copies of the publication can be obtained without charge from the Business and Defense Services Administration, U. S. Department of Commerce, Washington 25, D. C., or from any of the Department of Commerce Field Offices.
