For All We Hold Sacred . . . . . Attend Church!

BIG NEWS!  
The Church may not have its name blazoned across every front page, but it is big news just the same. From infancy to old age, the Church offers many things to each and every individual. The Church introduces human beings to God. The Church develops man's spiritual life through experiences of worship. The Church emphasizes the beautiful through its architecture, its services, whether ritualistic or informal, its music. The Church develops leaders through its many activities. The Church broadens man's outlook through its work of sending the gospel to those in far-away places. The Church exemplifies the brotherhood of man through the welcome it extends to all who believe. Last, and most important of all, the Church offers salvation and the assurance of eternal life for every believer. Big news—the Church! Can you afford to miss it?  
THE CHURCH FOR ALL... ALL FOR THE CHURCH... The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
