TAXI OR TELEPHONE... YOU GET THERE FASTER WHEN YOU KNOW THE RIGHT NUMBER

Given the correct address, a taxi driver can save valuable time getting where you want to go. And when you know the right number your telephone call is bound to go through faster, too.

If you're not sure of the number, check your directory before dialing. A good way to make sure you know the number is to keep a list of frequently called numbers handy by your telephone.

Midget Midgets Are Treated

Robert Kunkle, manager of the Mount Joy Midget-Midget baseball team, treated the players and their parents following the last home game of the season Monday night at the borough park.

The locals defeated the Quarryville team by a 10-8 score for their last home game. Players from the Quarryville team were also guests of the manager.

Rev. Lester Koder spoke briefly to the boys. He was given an autographed baseball signed by the players and coaches. Approximately 75 persons attended the party.

SCORES HOME RUN

Will Risser, Landisville, who is playing with the Erie baseball team, scored his first homerun in a double-header Sunday when the Erie team played the Elmira, New York team.

A madcap martial mix-up, entitled "Pound Foolish" opens at the Gretna Playhouse this evening with Vincent Carroll, Vanity Brown, Charm Sorbello, Jonathan Main, and Anne Herr in the leading roles. Also under the title of "Penny Wise,"

GENE P. OTTO
this show is a side-splitting comedy dealing with a very unconventional love triangle. "Pound Foolish" is the 152nd production presented at Gretna by Charles Coghlan and Gene P. Otto during their 13 years as co-producers.

Vincent Carroll, handsome Hollywood actor who made a big hit in Gretna's production of "A Hatful of Rain" last week, started out as stage hand in a television studio on the West Coast. A television director saw him operating a "tele-prompter" and offered him a small role in his next show. The part started his acting career which so far has included roles in a dozen feature-length films. He was also seen in the award-winning television play "Requiem for a Heavyweight."

Charm Sorbello, one of the leading players in "Pound Foolish," is fast becoming the favorite actress of the Pennsylvania National Guard. She is the wife of Major Rosario Sorbello, who is head of the Plans and Training Division for the National Guard at Indiantown Gap. Each week a contingent of officers and enlisted men visit the Playhouse to see Mrs. Sorbello in action on the stage. And Major Sorbello has borrowed a camera which he uses to take candid

Rotarians Hear Of Playgrounds

A report on activities of the 1957 Mount Joy playground program was given Rotarians Tuesday noon at their weekly luncheon meeting at Hostetters.

Marshall Gemberling, Mrs. Gemberling, Joanne Brooks and John Day were the speakers, each telling of different phases of the summer program.

Considerable added emphasis has been placed this year on the swimming program, which has been lengthened to six weeks. Nearly 200 boys and girls have participated in one way or another. 138 have been advanced from non-swimmer classification to swimmers.

Mrs. Gemberling told of the activities for the girls. Mrs. Brooks of the craft program and Day of the new archery program.

The program was introduced by Earl Koser.

WEISER REUNION

The Conrad Weiser Family Association will hold its 6th annual reunion Sunday, August 4, at Weiser Park, east of Womelsdorf, Pa., according to announcement by Paul A. Weiser, Mechanicsburg, president. Dr. Arthur D. Graeff, Robsonia, author of "Conrad Weiser - Pennsylvania Peacemaker" will be the main speaker at the program at 4 o'clock, to which the public is invited.

map-shots of the play. He will need a particularly fast shutter speed and film for "Pound Foolish" since the action is rapid, furious and hilarious.

Everyone at the Gretna Playhouse is excited about presenting "Tobacco Road" starting Aug. 8th. The play held the world's record for length of run with 3,180 continuous performances in New York until it was surpassed by a few performances by "Life With Father." To date "Tobacco Road" has a box office gross of six million dollars.

How Are Your Highway Manners?

How are your motoring manners?

There's a two-sided answer to that important safety question, according to Edw. P. Curran, Safety Director of Keystone Automobile Club.

"Politeness in respect to other highway users is natural and accustomed behavior on the part of the great majority of motorists," he declared. "Such well-thinking drivers always 'give the other fellow a break,' are careful to use hand signals indicating every turn, stay on their own side of the highway, allow others to pass with plenty of room to spare etc. Politeness, in these instances, add up to greater enjoyment and safety for all.

"Politeness toward passengers in one's car, however, can be overdone to the point of danger. Drivers never should take their eyes from the road when talking to traveling companions... the driver who looks away for 'just a second' actually is driving blind over 58 feet of road at 40 miles an hour, 68 feet at 45 m.p.h. and 73 feet at 50. Drivers should stop when lighting a cigarette, cigar or pipe and never should attempt to hold a lighted match for a passenger. Drivers never should look from the road to greet a friend. And to be very much on the safe side, escorts should pull up to the curb and alight from the curb-side door after the traveling companion has stepped out onto the pavement; the traditionally courteous move of the driver alighting on his (the traffic side) and walking around the car to help a passenger alight on the other side has its obvious dangers.

"Politeness most assuredly has its place on the highway but safety rates top consideration, too."
