Advertisement for Columbia Telephone Co. with text: "Perhaps this isn't the most important call in the world, but right at the moment it does mean a lot to Daddy's little girl. And it does, we think, demonstrate how much everyone depends on the telephone even for little things. So often, in this world of technical advances, we take for granted the truly wonderful convenience of the telephone. It gets us here, there, and everywhere in seconds. It helps our little girl make sure that 'Daddy hasn't forgotten'. Yes, it's another reason why... telephone service is the biggest bargain in your family budget."
