Hi Neighbor!

If you had a big overhead to meet and a mortgage to pay off, you would certainly be grateful to the people who helped you meet these obligations. Your IGA store owner is grateful. He needs your business. He wants to earn your continued patronage.

So when you shop at any IGA store you not only get the lowest prices (make the "Total Test" and see) in town, but a smile "to boot" from a man who really appreciates your business - a pretty good deal, we'd say.
