

Donegal Grid Team To Play Five-Game Home Schedule

Donegal high school will play five home football games this fall, it has been announced by John Day III, faculty manager of athletics.

The local schedule is another step upward in the planning of a grid program for the new school.

Three years ago Hubie Peters began working with Donegal boys and last year they played their first varsity schedule. However, that was on a somewhat limited basis. Opponents were pledged to play no seniors in the lineup against the less experienced Indians.

This season will mark a full-blown program, including "play for keeps" in the Conference of Roses. Last year conference games were played but the win and loss records did not go into the record.

To accomplish the five-game home schedule, the school, at a cost of \$4,073 has bought bleacher seats which are designed to accommodate 940 people. They will be erected along the side of the athletic field immediately east of the gymnasium.

The home schedule, of course, will be played Saturday afternoons, starting at 2 o'clock.

The home contests are part of a nine-game schedule drawn up by the Donegal athletic department. First game is carded for Friday night, September 13, at 8 o'clock at Elizabethtown.

A year ago, as the Indians edged into the football picture, they played only five games, all away from home.

Part of the stepped-up program includes the addition of considerable training equipment for the gridlers. There are not tackling dummies, bucking sleds and others to help Coach Peters and his staff to condition the boys.

Aiding Peters are Donald Staley, who is assistant, and Marshall Gemberling, who heads the junior high school program.

All teachers will report at a meeting Sept. 3 in the high school building. Elementary students will report Wednesday, Sept. 4, to their respective buildings. Senior students will report on Thursday, Sept. 5. All students will report for regular classes Friday, Sept. 6.

The personnel of the joint school system is as follows: W. I. Beahm, supervising principal; John G. Kenneth Gainer, out-going president, was in charge of the meeting.

Two Couples Celebrate Double Anniversary

A Mount Joy couple and a Newton couple, married 50 years ago in a double wedding ceremony celebrated their golden anniversary on Thursday, August 22nd. Mr. and Mrs. Albert Mumma, of South Barbara Street and Mr. and Mrs. Maurice Fry-singer, Newtown, were married August 22, 1907 in the parsonage of St. Mark's EUB Church, Mount Joy by the late Rev. E. O. Burtner.

Mrs. Mumma was the former Anna Mary Myers, New-

Now that the gas war appears, at least on the surface, to be about over, there is little to say. However, the following was gleaned from Grit by a reader who has a nice sense of humor:

"Sign on a closed gas station in Seattle, Wash.: 'We Undersold Everybody.'"

One local service station operator reported that he pumped 1,237 gallons of gas "after supper" the evening it was reported that prices were expected to jump back to normal the next day.

It's doubtful that filling station operators have pumped more gasoline into 50-gallon barrels since the days of blackmarket gas.

A number one topic of conversation these days is the drought.

We'd suggest, from reports we have been hearing from travelers in that direction, that Lancaster county—despite its horrible losses—is still the "garden spot."

One of the sightseeing attractions of this area, as everyone knows, is Roots sale. However, it begins to look as if the new Middletown Farmers Market and Auction Co., located on Route 230 between Elizabethtown and Middletown, may give competition to the Lancaster county business.

At least advanced publicity says the market will sell "everything from a toothpick to an automobile." A mile and a half of fluorescent lighting tubes run the length of the buildings in four rows. There are 23 main entrances not to mention 200 other doorways.

OUTLOOK

At last there are indications that the long dry spell will end in the near future as the weather pattern over the country is changing somewhat. Partly cloudy weather with a definite warming trend will prevail for the next two or three days with scattered light showers likely Friday and again over the weekend. No general rains are expected however.

Faculty Named For Donegal

The faculty of the Donegal Area Joint School System is complete except for the position of vocal music in the high school. One vacancy which existed last week in the elementary school was filled by James A. Revello, of Old Forge, Pa. He will teach fifth grade in the Marietta Elementary School.

All teachers will report at a meeting Sept. 3 in the high school building. Elementary students will report Wednesday, Sept. 4, to their respective buildings. Senior students will report on Thursday, Sept. 5. All students will report for regular classes Friday, Sept. 6.

New Bus Added To Schedule

One additional bus "run" has been added to the schedule of the Donegal Area Joint school system for the 1957-58 school term. This bus will transport Mount Joy Township sixth graders to Day Center students and special education students.

The bus will leave Milton Grove at 8:20 a.m., Cherry Hill, 8:25; Florin North School, 8:32; Amoco Gas Station, Florin, 8:34; Day Care Center in Evangelical Congregational, 8:36; Union National Mount Joy Bank, 8:37; and arrive in Maytown at 8:50.

In the afternoon the bus will leave Maytown at 4:05 p.m.; arrive at Union National Bank at 4:15; Day Care Center, 4:18; Florin, 4:20 and Milton Grove, 4:30 p.m.

Authority To Meet Sept. 10

The September meeting of the Mount Joy Borough Authority has been postponed one week because of the Labor Day holiday on Sept. 2. Instead of meeting on Tuesday, Sept. 3, the next session will be held on Tuesday, Sept. 10, at the Mount Joy Fire House.

Given Ratings At Show

Kenneth Young, Mount Joy R1; and Jacob Landis, Bainbridge R1; both members of the Donegal Chapter of the FFA, received ratings for their animals exhibited at the Pennsylvania Dutch Days in Hershey last week. In a class of 27, Kenneth's Guernsey heifer placed sixth and in another class of 31, a heifer of Kenneth's placed eighth. Jacob's heifer placed eighth in a class of 36 animals.

Friday, the same two boys will be exhibiting their animals at the Dairy Show in the Guernsey Barn, east of Lancaster. Grant Miller, advisor, will accompany the two to the show.

Rummage Sale Planned By BPW

A Rummage sale has been planned by the finance committee of the local Business and Professional Women's Club for Tuesday, Sept. 10th, at the Wiltner Rummage Room, South Duke St., Lancaster. Mrs. Michael Fricio and Mrs. Charles Graham are chairmen of the committee. Committee members are Miss Thelma Taylor, Mrs. Norman Linton, Mrs. Hans Helms, Mrs. Alex Mitzkavitz, Mrs. Elizabeth Sensesig and Mrs. Paul Stehman, Jr.

Anyone desiring to give items toward the fund-raising project may call Mrs. Graham, OL3-4392 or take them to Mrs. Lester Roberts garage Saturday, Sept. 7.

Board Maps School Program

Donegal Area Joint School Board members awarded a bid for grandstand bleachers for the high school at last Thursday night's board meeting. The stands, which will seat 940 persons, will be purchased from the low bidder, The Snyder Tank Corporation, Buffalo, N. Y., for \$4,073. This money will be paid jointly by the Authority and Extra-Curricular Funds from the school. The board hopes to have these bleachers installed in time for most of the home football games.

Recent action of the state legislature casts some doubt as to whether the state will reimburse the school for Extension Education Classes this year. The board decided that if such reimbursement is available, these classes will be held beginning in October as in previous years. But, if such reimbursement is not available, a fee will be charged to those attending. This fee will be used to make up the amount of the state reimbursement received in previous years. It is expected that the Department of Public Instruction at Harrisburg will give a definite answer concerning reimbursement sometime next month.

The board accepted the resignation of Eugene Tritch, vocal music instructor in the high school. Hugh Workman was elected to teach in the sixth grade. With the resignation of Mr. Tritch, the district has two vacancies, one in the vocal music department and one in fifth grade in the elementary schools.

Due to a change in the school health program mandated by the state legislature fourth class school districts will now appoint their medical and dental examiners. The personnel committee of the school board will shortly meet to consider these appointments.

Charles A. Krisman, Inc., Lancaster, was authorized to place approximately 200 square yards of blacktop at the west and south areas of the Mount Joy Elementary School Building. These areas, formerly in lawn, were plots of muddy ground whenever damp and rainy weather existed.

The board voted to accept the proposal of the SICO Company for service contracts for oil burner heating equipment. The transportation committee was authorized to make the necessary adjustments in bus routes made necessary by the opening of additional classrooms in the Maytown building.

Bills amounting to \$44,683.17 were ordered to be paid. Jay Musser, president, was in charge of the meeting.

Workmen have practically completed the tearing down of the three frame buildings located adjacent to the former Schock residence on East Main Street.

Workmen Re-Appear In Stauffertown Area

Workmen have re-appeared in the Stauffertown area on Tuesday and Wednesday in an attempt to solve the problem of the gas fumes and gas in the water. Both off-line and on-line work was done. The Southern Pipe Line Company and Manufacturers Light and Heat Company, state fire marshal and the state board of health. These surveys and geologists have appeared in the area.

At the present time, their work appears to be along the "survey line". Residents of the area are being visited by these officials but no definite course of action had been taken as of Wednesday night.

Last weekend four petitions were delivered to Governor George Lader, the Public Utilities Commission, the state fire marshal and the state board of health. These petitions were drawn up by the Stauffertown residents and were signed by twenty-four homes affected.

Light Rains in Local Area Fail To Help Water Shortage

Mount Joy's water supply despite the warning to conserve water, said that Mount Joy dare not monopolize all the water coming down Little Chiques creek.

Because there are users below the Borough, the city would not be permitted to impound the entire flow of the creek.

Until Mount Joy area has either a heavy rainfall or a smaller amount over a longer period, patrons of the Charles Ricedorf (Phone EM 7-6126) is chairman in charge.

Martin said Wednesday that the event will be held on the Henry Miller farm, located between Newtown and Salunga, about a mile east of Newtown in Rapho township. The field selected is 30 acres in size, level, rock free and is described as one of the best spots available for staging the contest.

Directors are eager that the plowing contest this year attract more attention, both in number of contestants and in spectator interest.

They point out that competing is a good thing and added that for young farmers there is much to be learned by watching some of the men who are more experienced.

Anyone interested in competing should contact Ricedorf or Martin.

Among the other details covered was planning for the annual banquet, which will be held at Hostetter's banquet hall on Wednesday evening, October 16.

4-H Club Groups Hold Round-Up

Local 4-H Club members were among the winners named at the annual Lancaster County 4-H Club Round-up last week. More than 800 girls and leaders gathered in Lyte Auditorium, Millersville State Teachers College, for the event.

Miss Julianne Erb, Mount Joy 4-H Club, was a winner in the first through third years of the dress revue; and Peggy Moore, Mount Joy, was a winner in the fourth year and up group. Both Miss Mary Belle and Julianne Erb took part in the fashion revue in outfits they had made themselves.

Miss Carol Ginder, Florin, president of the Home Economics County Council, was mistress of ceremonies throughout the afternoon program. Sylvia Swarr, Littitz, was crowned as the 1957 Posture Queen during the affair. She was crowned by Miss Ardis Wolgemuth, Florin, last year's Posture Queen.

Named League All-Star Catcher

"Rick" Dived of Mount Joy, who played baseball with the Manheim American Legion team in the Lanc. County League, was selected as the Leagues all-star catcher. He batted .450 for a regular season batting average.

When the team went into the play-offs for the state title "Rick" hit two bases loaded (grand slam) home runs, one against Ephrata and one against Pottstown.

Special Dance Is Scheduled

Tonight Donegal high school students who purchased yearbooks during the past year will be guests at a special dance in the high school cafeteria. Since the senior class decided to include graduation pictures and end-of-the-year activities in the books, the books arrived this week and will be distributed at the special dance from 7 to 10 p.m.

Post cards were issued to purchasers for the affair. There are some yearbooks available for sale and students wishing to purchase them may do so at the dance and thereby gain admission to the closed affair.

Douglas Fish, a member of the 1957 graduating class, and his combo will play music for dancing. The "autograph" party is informal and marks a first for the high school for an event of this kind. Mrs. Nancy Ginder is advisor for the affair.

Girls Attend 4-H Roundup

The girls and leaders of Donegal Home Economics group attended 4-H roundup, which was held at Millersville State Teachers College on August 22.

All of the members attended this meeting except one, making a total of 27. Seventeen of this total are doing first-year sewing and eleven are second-year sewers.

Seven of the first year girls won first prize, which was a blue ribbon, and ten earned a red ribbon for second prize. All of the second year girls won a blue ribbon on their garments.

Susan Eshelman will have the honor of taking her skirt to the Farm Show to be held at Harrisburg.

Cub Activities To Begin Soon

Cub activities in Mount Joy will begin Wednesday, September 11. Five dens will begin activities in the regular weekly den meeting that day. Den mothers of the five are Mrs. Martha Germer, Mrs. J. R. Miley, Mrs. Jerry Snavely, Mrs. Jay Hostetter and Mrs. Robert Stoner.

Cubmaster Clyde Triple announced that Wednesday night Sept. 11, will be charter night. The annual charter presentation will take place at the committee meeting to be held in the Scouthouse. James Pennell is chairman of the Cub committee.

The Webb reunion will be held at the Landisville Fire Company picnic grounds on Sunday, Sept. 8, beginning at 3 p.m. All descendants of the late James Webb are invited to attend.

Big Parade in Mount Joy To Open 1957 Community Exhibit Program

Mount Joy, known years ago as the little town with the big parades, will be back in business this fall!

At a meeting Tuesday night at the Mount Joy Farmers Cooperative office, the Mount Joy Community Exhibit directors made arrangements for holding a parade on the evening of Wednesday, Oct. 9.

An annual feature of the Farm Show, the event was dropped from the schedule last fall because of the condition of the streets during the installation of the sewer lines.

Arrangements for staging the big parade, which is slated to move off at 7 p.m., is to be in the hands of the Lions club.

Tuesday night's meeting, in charge of Curvin Martin, exhibit president, was concerned with many details for holding the fall event on October 9, 10, 11 and 12.

Another event to be restored to the program will be the Soap Box Race, which also was a casualty last year because of the streets.

No definite location for the 57 contest was selected but arrangements will be made later.

Martin also announced that the Plowing Contest again will be held and that Charles Ricedorf (Phone EM 7-6126) is chairman in charge.

Martin said Wednesday that the event will be held on the Henry Miller farm, located between Newtown and Salunga, about a mile east of Newtown in Rapho township. The field selected is 30 acres in size, level, rock free and is described as one of the best spots available for staging the contest.

Board Maps School Program

Donegal Area Joint School Board members awarded a bid for grandstand bleachers for the high school at last Thursday night's board meeting. The stands, which will seat 940 persons, will be purchased from the low bidder, The Snyder Tank Corporation, Buffalo, N. Y., for \$4,073. This money will be paid jointly by the Authority and Extra-Curricular Funds from the school. The board hopes to have these bleachers installed in time for most of the home football games.

Recent action of the state legislature casts some doubt as to whether the state will reimburse the school for Extension Education Classes this year. The board decided that if such reimbursement is available, these classes will be held beginning in October as in previous years. But, if such reimbursement is not available, a fee will be charged to those attending. This fee will be used to make up the amount of the state reimbursement received in previous years. It is expected that the Department of Public Instruction at Harrisburg will give a definite answer concerning reimbursement sometime next month.

The board accepted the resignation of Eugene Tritch, vocal music instructor in the high school. Hugh Workman was elected to teach in the sixth grade. With the resignation of Mr. Tritch, the district has two vacancies, one in the vocal music department and one in fifth grade in the elementary schools.

Due to a change in the school health program mandated by the state legislature fourth class school districts will now appoint their medical and dental examiners. The personnel committee of the school board will shortly meet to consider these appointments.

Charles A. Krisman, Inc., Lancaster, was authorized to place approximately 200 square yards of blacktop at the west and south areas of the Mount Joy Elementary School Building. These areas, formerly in lawn, were plots of muddy ground whenever damp and rainy weather existed.

The board voted to accept the proposal of the SICO Company for service contracts for oil burner heating equipment. The transportation committee was authorized to make the necessary adjustments in bus routes made necessary by the opening of additional classrooms in the Maytown building.

Bills amounting to \$44,683.17 were ordered to be paid. Jay Musser, president, was in charge of the meeting.

Workmen have practically completed the tearing down of the three frame buildings located adjacent to the former Schock residence on East Main Street.

Workmen Re-Appear In Stauffertown Area

Workmen have re-appeared in the Stauffertown area on Tuesday and Wednesday in an attempt to solve the problem of the gas fumes and gas in the water. Both off-line and on-line work was done. The Southern Pipe Line Company and Manufacturers Light and Heat Company, state fire marshal and the state board of health. These surveys and geologists have appeared in the area.

At the present time, their work appears to be along the "survey line". Residents of the area are being visited by these officials but no definite course of action had been taken as of Wednesday night.

Last weekend four petitions were delivered to Governor George Lader, the Public Utilities Commission, the state fire marshal and the state board of health. These petitions were drawn up by the Stauffertown residents and were signed by twenty-four homes affected.

Light Rains in Local Area Fail To Help Water Shortage

Mount Joy's water supply despite the warning to conserve water, said that Mount Joy dare not monopolize all the water coming down Little Chiques creek.

Because there are users below the Borough, the city would not be permitted to impound the entire flow of the creek.

Until Mount Joy area has either a heavy rainfall or a smaller amount over a longer period, patrons of the Charles Ricedorf (Phone EM 7-6126) is chairman in charge.

Martin said Wednesday that the event will be held on the Henry Miller farm, located between Newtown and Salunga, about a mile east of Newtown in Rapho township. The field selected is 30 acres in size, level, rock free and is described as one of the best spots available for staging the contest.

Directors are eager that the plowing contest this year attract more attention, both in number of contestants and in spectator interest.

They point out that competing is a good thing and added that for young farmers there is much to be learned by watching some of the men who are more experienced.
