Maytown Scouts

Boy Scout Troop 53 of Maytown recently became alive with new members and the great interest and enthusiasm that prevailed enabled many to rapidly qualify for the rank of tenderfoot.

Through the masterful teachings and persistent efforts of the troop's leaders, many young boys have elevated from their own once proud Cub Pack to the more advanced boy scout troop. Upon showing a little interest in taking part in the many varied activities and keeping up with the Scout Law and Scout Oath, the boys rise up through the ranks of scouting to become patrol and troop leaders.

Others who wished to take up still more advanced scouting and climb the scouting trail to higher success and adventure have joined the Explorer Post which is made up of boys with ages of 14, 16 and older.

Both of these active groups with a fast rising membership can proudly boast that the scouting trail is fully cleared and wide open for many activities and outdoor adventures and all those boys of 11 years old or older are welcome to join the troop and take part in the same activities that the scouts and explorers are now enjoying.

Elwood Gerber is acting scoutmaster and his well qualified assistants are Ray Smith and Clifford Morrison and Charles Johns as Jr. assistant scoutmaster. Explorer Post Advisor is John Boyer.

James Houseal and Harry Frye are the new patrol leaders and next week they are planning on a trek and trail hike where tracking will be one of the main features. An overnight campout is planned for the near future. All scouts are urged to attend. Meetings are held at 7 p.m. Monday evenings.
