The organization, to be Coral is animal life. known as the Mount Joy Area Community Council, is concerned with "enlightened opinions" concerning community projects needed in this area. Many have realized and even observed an overlapping, duplicating and even omission of endeavors which are of importance to the community.

In effect, the council could serve as a guiding group to accomplish greater and better things for the Mount Joy

During the past weeks a building in our community has disappeared without the least notice. Yet, it is an important link in the history of Mount Joy. Very few people apparently realize that on the back of the property at 30 West Main Stree, near Street, Henry Stager, prominent citizen of the community many years ago operated a weaving busness.

The two-story building had been in a poor state of repair for many years. Stager, in the
