**ABUNDANT LIFE
BY ORAL ROBERTS**

PRAYER PAYS OFF ON WALL STREET

Faith in God can affect you financially. The Bible states that the love of money is the root of all evil—not money in itself. Money is neither good nor bad, its morality is determined by what we do with it.

God wants our souls to be enriched and blessed. He wishes us physical prosperity also because 3 John 2 states: "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." There are hundreds of people who are reaping the benefits of real partnership with God.

Here is the testimony of a financial advisor of national prominence whose firm is located on Wall Street, N. Y. City. His organization has been paid more than \$17,000,000 just for advice alone. As a youth, he attended Harding College, Searcy, Ark., a school controlled by the Church of Christ. He was inspired by its president, James W. Harding, who took practically all of his daily problems to God in prayer and taught his students to do likewise.

Consider the answer that this man received to his prayer: "It was the most important business deal of my life—more than a million dollars was at stake. But everything went wrong. I couldn't figure it out. It seemed someone in the organization was double-crossing us, but who? We puzzled over it exceedingly, until one morning my wife said, 'This is beyond

our power—let's take it to God in prayer.' We did—right there and there!"

"That very morning I decided to see one of my best friends, an attorney not represented in our deal, but with whom I had discussed it several times. I trusted him completely and wanted his advice. I called his telephone number. His firm had 48 extension phones. The operator, by mistake, put me on a busy line. Imagine my utter surprise when I heard him laughing with the leader of our competitors over their success in outwitting me and my clients. Having learned where the leak was, I was able to solve my problem. Do you think it was an accident that the operator put me on his busy line; on the vital one of the 48 extensions at exactly the right moment? NO! It was God answering my prayer. I secured exactly the information I needed at my most desperate hour."

One might explain this as a coincidence, or luck, or providence. Let's just call it God. It's this kind of coincidence that has a habit of occurring for me and thousands of other people because we believe in a God who answers prayer.

Dare to have faith in God. You will find he will give you more than you have; make you more than you are! Jesus came to bring us abundant life, physically, mentally, spiritually, and financially.
