**CHEVROLET SETS A NEW STYLE IN STATION WAGONS!**

Two new Brookwoods—4-door 6-passenger and 4-door 9-passenger models. Luxuriously appointed

Meet the year's smartest station wagon set! Chevrolet brings you five new wagons for '58—all long, low and loaded with news. They're more than nine inches longer, dramatically lower. They set a new style with boldly sculptured lines. And these new Chevrolets are the most practical wagons that ever took to the road. The liftgate is hinged into the roof and raises completely out of the way for easier loading. There's a new easy-opening tailgate, too, and room for longer loads.  
No station wagon built ever carried loads with more ease or passengers with more comfort! Chevrolet's new standard Full Coil suspension cradles you on deep coil springs at every wheel. And you can have a real air ride as an extra-cost option.  
Stop by your Chevrolet dealer's and look over the smartest, smoothest going station wagons of them all.
