

PLATTER CHATTER

A new dance step is being introduced these days along with a new platter, "At the Hop" by Danny and the Juniors. This is a real rocker and a great favorite among the teenagers.

Jerry Lee Lewis of "Whole Lotta Shakin Goin On" fame is quite a sensation with his "Great Balls of Fire".

A real pretty song entitled, "Julie" by Sammy Salvo is on its way up for sure.

Johnny Mathis is about the most promising young vocalist, in my opinion. He has a new slow and easy thing, "No Love But Your Love". His "Chances Are" is still in good position as number 7.

Sam Cooke is plugging a couple of new hits. "For Sentimental Reasons" and "Dedicated to You".

By this time everyone has heard about "Elvis Christmas Album". This includes such songs as "Santa Claus is Back in Town", "Santa Bring My Baby Back to Me", "Blue Christmas", & "I'll Be Home for Christmas". Here is an excellent Christmas gift for any rabid Presley fan on your Christmas list.

"Oh, Boy", by "That'll Be The Day" Crickets is an all around favorite.

Carol Sing

(From page 1)
The sing, the group will be transported via bus to the Messiah Children's Home where they will sing carols for the children. Harvey Johnson, Florin, has offered one of his buses for the evening's transportation.

After the groups visit the home they will be treated to refreshments in the basement of the St. Mark's EUB church. Mrs. Clinton G. Eby will be in charge of refreshments. One of the senior troupes will make doughnuts to be used for the refreshments. The making of the doughnuts is a project for the girls. John Way will be in charge of the loud speaking system and plans to set up 2 microphones in the group this year. The local fire company will provide special lighting for the sing.

The carolers are asked to bring flashlights to be used for singing the carols and if the weather is cold, the singers are reminded to dress warmly and to wear rubbers or boots. Mrs. James Hostetter is general chairman of the project.

Shopping Tour is Saturday

Saturday is the day for the annual tour for the children of the Messiah Children's Home. Sponsored each year by the local Junior Chamber of Commerce, the group will again give each child \$5.00 with which to do his Christmas shopping.

The children will be escorted by members of the Jaycees to the Mount Joy stores for the shopping tour. Following the trip, the children will go to the local firehouse to wrap and label their presents. The Joycees will assist in the wrapping program at the firehouse. The children will also be given the opportunity to mail any parcels if they desire.

Robert Schroll is general chairman of the event.

CHAPTER BUTCHERS FIVE HOGS

Five hogs were butchered Monday by the FFA chapter of Donegal high school. The twenty members of the Future Farmers of America chapter butchered the animals at the butchering shop of Milton Mowrer, Marietta R1. From the 225 pounds of meat the boys made sausage which is being sold by the members.

This is the third year that the boys sponsored the project which is both an educational project and a fund-raising project.
