**How do you feel about burglars?**

It's foolish to own fine things and then worry about their being stolen.

Let us and America Fore worry about that for you.

Let us write an America Fore policy for you which will take the sting out of loss of household goods, personal effects, clothing, jewelry, furs, silverware, etc. It covers burglary, robbery, theft and MYSTERIOUS DISAPPEARANCE (which is considered to be theft.)

It also may include holdup and theft away from home, and covers all members of your immediate family residing with you. And you'll be amazed how little this Family Theft policy costs. Ask us.
